To whom it may concern:

Delta Sigma Theta Sorority Inc. is a 102 year old non-profit organization committed to providing services that uplift and enrich the community. Educational Development is a vital part of the programs and services we provide. In an effort to promote educational development in our community, the Tracy Area Alumnae Chapter of Delta Sigma Theta Sorority, Inc. annually awards scholarships to San Joaquin County seniors to promote the pursuit of higher education among African-American students.

We humbly request your assistance in distributing the attached scholarship package to African-American seniors who plan to attend an accredited two or four year college or university. The scholarship package **must** be postmarked by **Friday, February 19, 2016**. Please feel free to email or copy the scholarship packet to accommodate all qualified students.

Any questions regarding the scholarships, this process, or the scholarship packet may be directed to Lisa Woody-Williams, Scholarship Committee Chair, at (209) 321-2318. ### **Sample Community Service Letter Delta Sigma Theta:**

Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead **Continually Working** Crystal Marie

Moten, 2023-03-15 Continually Working tells the stories of Black working women who resisted employment inequality in Milwaukee Wisconsin from the 1940s to the 1970s The book explores the job related activism of Black Midwestern working women and uncovers the political and intellectual strategies they used to critique and resist employment discrimination dismantle unjust structures and transform their lives and the lives of those in their community Moten emphasizes the ways in which Black women transformed the urban landscape by simultaneously occupying spaces from which they had been historically excluded and creating their own spaces Black women refused to be marginalized within the historically white and middle class Milwaukee Young Women s Christian Association MYWCA an association whose mission centered on supporting

women in urban areas Black women forged interracial relationships within this organization and made it not without much conflict and struggle one of the most socially progressive organizations in the city When Black women could not integrate historically white institutions they created their own They established financial and educational institutions such as Pressley School of Beauty Culture which beautician Mattie Pressley DeWese opened in 1946 as a result of segregation in the beauty training industry This school served economic educational and community development purposes as well as created economic opportunities for Black women Historically and contemporarily Milwaukee has been and is still known as one of the most segregated cities in the nation Black women have always contested urban inequality by making space for themselves and others on the margins In so doing they have transformed both the urban landscape and urban history

*Black Greek-Letter Organizations in the 21st Century* Gregory S. Parks, 2008-06-13 A masterpiece of multidisciplinary scholarship that clearly demonstrates the contemporary relevance of black fraternities and sororities Hasan Kwame Jeffries author of *Bloody Lowndes* During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed To foster a greater engagement with the history and contributions of BGLOs *Black Greek Letter Organizations in the Twenty first Century* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance *Black Greek Letter Organizations in the Twenty first Century* demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

**Black Greek-Letter Organizations 2.0** Matthew W. Hughey, Gregory S. Parks, 2011-02-18 At the turn of the twentieth century black fraternities and sororities also known as Black Greek Letter Organizations BGLOs were an integral part of what W E B Du Bois called the talented tenth This was the top ten percent of the black community that would serve as a cadre of educated upper class motivated individuals who acquired the professional credentials skills and capital to assist the race to attain socioeconomic parity Today however BGLOs struggle to find their place and direction in a world drastically different from the one that witnessed their

genesis In recent years there has been a growing body of scholarship on BGLOs This collection of essays seeks to push those who think about BGLOs to engage in more critically and empirically based analysis This book also seeks to move BGLO members and those who work with them beyond conclusions based on hunches conventional wisdom intuition and personal experience In addition to a rich range of scholars this volume includes a kind of call and response feature between scholars and prominent members of the BGLO community

*U.S. Women's Interest Groups* Sarah Slavin, 1995-12-11 No other reference analyzes the origins development programs publications and political action of 180 major American organizations concerned with women's issues in such depth Over 100 experts give an overview of how national women's groups of all kinds and representing varied and broad segments of society have had an impact on a wide array of public policy issues in Washington in recent years An introduction provides a content analysis general background and historical sketch for the profiles which are arranged alphabetically An appendix describes six government agencies of primary importance in handling women's issues as agenda setters and bridges A second appendix consists of the questionnaire which was sent to each organization covered in the volume The alphabetically arranged profiles cover organizations with all types of goals and concerns different racial and ethnic identification church and temple affiliations civil elderly professional and occupational associations social and sorority groups labor and business organizations not for profit and for profit groups research centers and both partisan and nonpartisan organizations Students teachers professionals in governmental and nongovernmental agencies researchers and citizen activists will find that this handy sourcebook is a treasury of authoritative information about how private citizens work to affect national policy and legislation in essential ways

**White Sororities and the Cultural Work of Belonging** Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women's social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history
