as the true leader of their respective franchises That split between assertions of fan and auteur status and acceptance or not of that status is key to unravelling the fan auteur In A Portrait of the Auteur as Fanboy The Construction of Authorship in Transmedia Franchises authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys The volume discusses both popular fanboys such as J J Abrams Kevin Smith and Joss Whedon as well as fangirls like J K Rowling E L James and Patty Jenkins and dissects how the fanboy fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces and how this discourse has played in maintaining the exclusionary status quo of geek culture This book is particularly timely given current discourse including such incidents as the controversy surrounding Joss Whedon s so called feminism the publication of Harry Potter and the Cursed Child and contestation over authorial voices in the DC cinematic universe as well as broader conversations about toxic masculinity and sexual harassment in Hollywood

Sexed Up Julia Serano, 2022-05-17 The author of landmark manifesto Whipping Girl exposes the violent ways we are all sexualized then offers a bold path for resistance Feminists have long challenged the ways in which men tend to sexualize women But pioneering activist biologist and trans woman Julia Serano argues that sexualization is a far more pervasive problem as it's something that we all do to other people often without being aware of it Why do we perceive men as sexual predators and women as sexual objects Why are LGBTQ people stereotyped as being sexually indiscriminate and deceptive Why are people of color still being hypersexualized These stereotypes push minorities farther into the margins and even the privileged are policed from transgressing lest they also become targets Many view sexualization as a mere component of sexism racism or queerphobia but Serano argues that liberation from sexual violence comes through collectively confronting sexualization itself
