tell the story of how *Cook's Illustrated* has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with *Cook's Illustrated*, creative use of the beloved front and back cover art, and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil, and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust, and many more.

The Complete America's Test Kitchen TV Show Cookbook 2001-2024 America's Test Kitchen, 2023-10-03 Discover nearly 2,000 recipes and product recommendations from the first 24 seasons of America's Test Kitchen hit cooking show.
