Spices of Life and Herbs, Too! Luisa Fortunato, 2023-12-08 Spices Herbs what s the difference Spices are hot and spicy and herbs are well herby right Not exactly Spices come from the seeds of a plant but herbs come from the leaves or roots So juniper vanilla coffee and chocolate are spices but not spicy whereas curry leaves and ginger though quite spicy are herbs A good reason for abandoning the distinction as I have done in this cookbook Spices of Life and Herbs Too contains 87 recipes each featuring a different herb or spice or several and each with locked in tastes The book also contains my alphabet of spices and herbs from A to Z which answers questions such as Which is the most expensive spice on the planet Answer Saffron which comes from crocuses And how many crocuses do you need to make a kilo of saffron Answer 77 000 Which is the real Spice of Life Answer Spice of Life is the nickname of Sumac ground from the fruits of the Rhus tree sometimes known as the Tree of Heaven Which is the most popular spice in the world Answer Pepper which comes in many varieties black white pink red and green Which spice was considered as valuable as Manhattan Answer Nutmeg The only source of Nutmeg used to be the Banda Islands now part of Indonesia Once controlled by the British but coveted by the Dutch these islands were swapped for Manhattan which Henry Hudson had already claimed for the Dutch Trading Company The 1647 treaty gave the British control of the whole Hudson River area whilst the Dutch gained a monopoly supply of their beloved nutmeg

My Recipe for Cultural Interchange Sarj, 2013-01-30 In my 433 page book I explain that all cultures can learn from each other and my goal is to help people on each side of this cultural interaction because I have experienced the complexities and misunderstandings of cultural differences and sensitivities insensitivities and I want to help bridge the gaps between cultures I know that it is necessary for international students parents host families migrants and refugees to prepare themselves well before they live in another culture because I remember what I had to experience when I moved from the East to live in the West many years ago Let me share with you some of my experiences as a traveler and Homestay mother Some of my stories are funny and some are sad but they are all very relevant to the realities of this experience that we all call life I have learnt that it is inevitable that people will change as a direct result of cultural interaction and exchange and that is why I have referred to this two way experience as Cultural Interchange

It Up to Heaven Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn't a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle's funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field

as if we were holding a presidential election He was just that special My uncle s only daughter s wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn t have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn t miss my uncle s funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn t be anyone s cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that s love That should be our cup of tea Not religion
