PIAS will utilize volunteers who are students at UNPEMPER. Each student will be expected to successfully participate in a 4 week training program at the beginning of their work with PIAS. This training program will provide basic nutritional information for mothers and information on adult teaching methods. Student volunteers who demonstrate proficiency during the initial training program will be invited to participate in an advanced training program to learn effective nutritional counseling techniques. Each student volunteer will be expected to contribute 3-5 hours each week and to continue with PIAS for a period of not less than 6 months.
