Queens of Academe Karen W. Tice, 2012-03-09 Universities are unlikely venues for grading bodies beauty poise and style Nonetheless thousands of college women have sought not only college diplomas but campus beauty titles and tiaras throughout the twentieth century and the cultural power of beauty pageants continues into the twenty first In *Queens of Academe* Karen W Tice asks how and why does higher education remain in the beauty and body business and with what effects on student bodies and identities Drawing on archival research and interviews as well as hundreds of hours observing college pageants on predominantly black and white campuses Tice argues the pageants help to illuminate the shifting iterations of class race religion culture sexuality and gender braided into campus rituals and student life Moving beyond a binary of objectification versus empowerment Tice offers a nuanced analysis of the making of idealized collegiate masculinities and femininities and the stylization of higher education itself

Black America, Body Beautiful Eric J. Bailey, 2008-07-30 Despite all the medical and media attention focused on the rate of overweight and obesity in the African American population African American images and body types are greatly influencing changes in the fashion fitness advertising television and movie industries This is because overweight like beauty can be in the eye of the beholder Most research studies investigating attitudes about body image and body type among African Americans have shown they are more satisfied with their bodies than are their white counterparts and that there appears to be a wider range of acceptable body shapes and weights and a more flexible standard of attractiveness among black Americans as compared to whites That fact is not being lost on leaders of industries that might profit from understanding this wider range of beauty as well as playing to it In this book medical anthropologist Eric Bailey introduces and explains the self acceptance and body image satisfaction of African Americans and traces how that has spurred changes in industry His book fills the void of scientific evidence to enhance the understanding of African Americans perceptions related to body image and beauty and is the first to document these issues from the perspective of an African American male Despite all the medical and media attention focused on the rate of overweight and obesity in the African American population African American images and body types are greatly influencing changes in the fashion fitness advertising television and movie industries This is because overweight like beauty can be in the eye of the beholder Most research studies investigating attitudes about body image and body type among African Americans have shown they are more satisfied with their bodies than are their white counterparts Most black women for example are of course concerned with how they look but do not judge themselves in terms of their weight and do not believe they are valued mostly on the basis of their bodies Black teen girls most often say being thick and curvaceous with large hips and ample thighs is seen as the most desirable body shape Thus there appears to be a wider range of acceptable body shapes and weights and a more flexible standard of attractiveness among black Americans as compared to whites That fact is not lost on leaders of industries that might profit from understanding this wider range of beauty as well as

playing to it Voluptuous supermodel Tyra Banks is just one African American who's broken the mold in that industry The effects have been seen right down to department and local clothes stores where lines of larger and plus size fashions are expanding becoming more colorful and more ornate In the fitness industry health gurus Madonna Grimes and Billy Blanks have been revolutionizing how people get fit and how fitness needs to be redeveloped for the African American population Advertising has taken a similar turn not the least manifestation of which were the major campaigns Dove and Nike ran in 2005 with plus sized actresses who continue to appear in promotions for both companies In movies and on television shows the African American beautiful body image has followed suit In this book medical anthropologist Eric Bailey introduces and explains the self acceptance and body image satisfaction of African Americans and traces how that has spurred changes in industry His book fills the void of scientific evidence to enhance the understanding of African Americans perceptions related to body image and beauty and is the first to document these issues from the perspective of an African American male **The Complete Idiot's Guide to Creative Writing** Laurie Rozakis, 2004 A fifty percent revision of a popular Complete Idiot's Guide that now more than ever offers readers a thorough creative writing class in a book with Dr Laurie Rozakis as their teacher The book is refocused to more of an academic approach Readers can begin to unlock their creativity from the first page with fabulous exercises that help them explore their talents and experiment with different genres and forms of writing including Short stories Narrative nonfiction Memoirs Magazine articles Poetry Drama Blogging and freewriting Field Organization News Letter, 1943 *Beauty and Business* Philip Scranton, 2014-03-05 Beauty seems simple we know it when we see it But of course our ideas about what is attractive are influenced by a broad range of social and economic factors and in *Beauty and Business* leading historians set out to provide this important cultural context How have retailers shaped popular consciousness about beauty And how in turn have cultural assumptions influenced the commodification of beauty The contributors here look to particular examples in order to address these questions turning their attention to topics ranging from the social role of the African American hair salon and the sexual dynamics of bathing suits and shirtcollars to the deeper meanings of corsets and what the Avon lady tells us about changing American values As a whole these essays force us to reckon with the ways that beauty has been made bought and sold in modern America **Letters from Black America** Pamela Newkirk, 2025-06-25 *Letters from Black America* fills a literary and historical void by presenting the pantheon of African American experience in the most intimate way possible through the heartfelt correspondence of the men and women who lived through monumental changes and pivotal events from the 1700s to the twenty first century from slavery to the war in Iraq The first ever narrative history of African Americans told through their own letters this book includes the thoughts of politicians writers and entertainers as well as those of slaves servicemen and domestic workers From a slave who writes to his wife on the eve of being sold to famous documents like Martin Luther King Jr's Letter from Birmingham Jail these writings illuminate struggles and triumphs hardships and glory in the unforgettable words of the

Gender, Separatist Politics, and Embodied Nationalism in Cameroon

Jacqueline-Bethel Tchouta Mougoué, 2019-10-14 Gender Separatist Politics and Embodied Nationalism in Cameroon

illuminates how issues of ideal womanhood shaped the Anglophone Cameroonian nationalist movement in the first decade of independence in Cameroon a west central African country Drawing upon history political science gender studies and feminist epistemologies the book examines how formally educated women sought to protect the cultural values and the self determination of the Anglophone Cameroonian state as Francophone Cameroon prepared to dismantle the federal republic The book defines and uses the concept of embodied nationalism to illustrate the political importance of women's everyday behavior the clothes they wore the foods they cooked whether they gossiped and their deference to their husbands The result in this fascinating approach reveals that West Cameroon which included English speaking areas was a progressive and autonomous nation The author's sources include oral interviews and archival records such as women's newspaper advice columns Cameroon's first cooking book and the first novel published by an Anglophone Cameroonian woman

The Detroit Educational Bulletin, 1928 News Letter, 1987 **The West and Beyond** Sarah Carter, Alvin Finkel, Peter Fortna, 2010 The West and Beyond evaluates and appraises the state of Western Canadian history acknowledging and assessing the contributions of historians of the past and present while showcasing the research interests of a new generation of scholars It charts new directions for the future and stimulates further interrogations of our past This collection encourages dialogue among the generations of historians of the West and among practitioners of diverse approaches to the past It also reflects a broad range of disciplinary and professional boundaries suggesting a number of different ways to understand the west
