Dear Mr. Esparza,

I am writing on behalf of **[Your Company Name]**, an established entity dedicated to providing quality education and resources to underserved students in the community. We believe that access to education is not a privilege, but a right, and we are steadfast in our efforts to ensure we live up to this philosophy.

To achieve our mission, we are kindly seeking sponsorship support. Your esteemed organization, ABC Company, has a long-standing reputation for supporting community education initiatives. Therefore, we humbly request your help to make this project a success.

We would be happy to discuss our proposal further, detailing the many opportunities available for sponsor recognition and involvement. We also extend an open invitation for you or your representative to visit our organization to better understand our mission and the positive impact your support could generate.

We look forward to the possibility of partnering with you to elevate education within our community. Thank you in advance for considering this sponsorship opportunity.

sponsorship the desire to raise money secure appropriate childhoods and become better people ends up taking priority over the goal of living together well on a global scale Drawing on in depth interviews with child sponsors and sponsorship staff Change a Life Change Your Own explores the contexts in which sponsorship promotional material is produced interpreted and acted upon This is not an expos on the use of sponsorship dollars or high administrative costs it is a clearly written and compelling account of how the problem of development is constructed such that child sponsorship is seen to be a rational and ethical solution
