

Legal and Financial Due Diligence Report on Primary Medical Services & Delegated Responsibility

Executive Summary

1. Introduction

- 1.1. The CCGs successfully applied for Level 2 arrangements (joint commissioning with NHS England) and duly established a joint committee with NHS England for this purpose. Through South West London Collaborative Commissioning ("**SWL CC**"), Capsticks provided the CCGs with advice on all aspects of the application process and the subsequent creation of the joint committee with NHS England.

The CCGs, except for Croydon CCG, submitted an expression of interest for full delegated (Level 3) arrangements to take effect from 1 April 2016 (the "**Application for Delegation**") on 6 November 2015. If successful on any such application, the CCGs would assume sole day to day responsibility (albeit on a delegated basis) for the discharge of functions in relation to primary medical services that they currently exercise jointly with NHS England, and for the associated budget.
- 1.3. Accordingly, the CCGs have commissioned a high level financial and legal due diligence exercise on the GMS, PMS and APMS Contracts through which the primary medical services are provided for which they may assume delegated responsibility from NHS England. RSM (formerly known as Baker Tilly) have been appointed to deal with the former, and Capsticks have been asked to provide the latter, which together, forms this report ("**Report**"). NHS England has been involved in the design of and have approved the scope of the financial and legal due diligence exercise. NHS England have also seen and commented on this Report and where possible, these comments have been incorporated into this Report and/or the NHS England Statements for Reliance at Annex 4.
- 1.4. This Report comprises the Legal Due Diligence Executive Summary and Financial Due Diligence Executive Summary for SWL. This Executive Summary is a summary of the
