**Irony in The Twilight Zone** David Melbye, 2015-12-14 Rod Serling's pioneering series *The Twilight Zone* 1959 to 1964 is remembered for its surprise twist endings and pervading sense of irony While other American television series of the time also experimented with ironic surprises none depended on these as much as Serling's However irony was not used merely as a structural device Serling and his writers used it as a provocative means by which to comment on the cultural landscape of the time Irony in *The Twilight Zone* How the Series Critiqued Postwar American Culture explores the multiple types of irony such as technological invasive martial sociopolitical and domestic that Serling Richard Matheson Charles Beaumont and other contributors employed in the show David Melbye explains how each kind of irony critiqued a specific aspect of American culture and

how all of them informed one another creating a larger social commentary This book also places the show s use of irony in historical and philosophical contexts connecting it to a rich cultural tradition reaching back to ancient Greece The Twilight Zone endures because it uses irony to negotiate its definitively modernist moment of high social consciousness and low cultural escapism With its richly detailed frequently unexpected readings of episodes Irony in The Twilight Zone offers scholars and fans a fresh and unique lens through which to view the classic series The Rhetorical Reader Ebenezer Porter,1833 **The Rhetorical Reader Consisting of Instructions for Regulating the Voice ...** Ebenezer Porter,1838
