

# A Prayer for Graduation

*Heavenly Father,*

*Give grace and courage to the ones who have worked hard and now greet this special time of graduation.*

*We thank you for protecting and guiding them to this point. All praise and glory to You!*

*Inspire the graduates to put to good use all the knowledge, skills and life lessons gained through their education.*

*Most importantly, as they face unknown challenges moving on, help them to keep dear the greatest wisdom of all -that of knowing Jesus and the power of the Cross!*

*A chapter has closed and another eagerly awaits. Pave their road with opportunities and inspire them to live with hope in this incredible journey called life.*

*Continue to bless the graduates with love, protection, mercy, strength and wisdom.*

*May they live passionately to honor and glorify Your name. In Jesus' name, Amen.*

Responding to the Call for Educational Justice L. Mickey Fenzel, Melodie Wyttenbach, 2018-10-01 The work presented in this volume attests to the innovative and successful educational alternatives designed and implemented by Catholic religious groups to improve educational career and life outcomes for urban children adolescents and adults placed at risk These efforts have helped thousands of urban citizens break away from the chains of poverty and poor academic preparation to succeed in high school and beyond and secure a place of meaning and influence in adult society In this volume we examine the contributions of networks of schools such as Nativity Miguel and Cristo Rey schools in the U S and Canada and Fe y Alegría based in South America and operating in multiple countries as well as more local initiatives There is much to be learned from these initiatives that can improve urban education and this edited volume provides this opportunity to educators planners funders and others who are inclined to invest in effective urban education The perspectives taken in these chapters include current approaches to critical race theory faith perspectives that promote justice and the building of social capital and resilience to succeed academically despite considerable adversity associated with economic poverty The chapters included here explore educational structures that communicate high expectations for student and teacher performance and provide individualized instruction caring mentoring and support beyond graduation in order to help develop men and women of confidence skill leadership and integrity and ensure high levels of success in a world that tends to exclude them more than welcome them Praise for Responding to the Call for Educational Justice One of the most unheralded unreported and underappreciated initiatives in education are Catholic schools that are transforming the way that young people are taught If you have never heard the words Cristo Rey Nativity Miguel or Fe y Alegría prepare to be amazed and delighted by this thorough study of the great benefits these creative and exciting schools bring to us James Martin SJ Author of Jesus A Pilgrimage and The Jesuit Guide During these very troubling times within the Church and the larger society we need critical voices that are unapologetically committed to eradicating the ideologies and structures of inequality within urban education yet also speak of hope and possibility In this very timely volume Fenzel and Wyttenbach eloquently compile an insightful set of readings that courageously respond to our deep human yearning for freedom and offer us glimpses into a more just and loving world Antonia Darder PhD Leavey Endowed Chair of Ethics and Moral Leadership Loyola Marymount University Los Angeles **Congressional Record** United States.
