Ways to Help in Your Community Claire O'Neal, 2010-12-23 Have you ever wondered how a kid like you can make a difference in your community Whether you choose to volunteer for fun or for a school requirement spending an hour or two a week helping out in your neighborhood can literally change your world for the better Helping your neighbors or local organizations actually takes very little time and experience Volunteers of all ages improve communities by making them cleaner safer and more fun to live in From hosting a block party to helping an elderly neighbor to serving at a soup kitchen the possibilities are limited only by your imagination What are you waiting for

Behind the White Picket Fence Sarah Mayorga, 2014-11-03 The link between residential segregation and racial inequality is well established so it would seem that greater equality would prevail in integrated neighborhoods But as Sarah Mayorga Gallo argues multiethnic and mixed income neighborhoods still harbor the signs of continued systemic racial inequalities Drawing on deep ethnographic and other innovative research from CreekrIDGE Park a pseudonymous urban community in Durham North Carolina Mayorga Gallo demonstrates that the proximity of white African American and Latino neighbors does not ensure equity rather proximity and equity are in fact subject to structural level processes of stratification *Behind the White Picket Fence* shows how contemporary understandings of diversity are not necessarily rooted in equity or justice but instead can reinforce white homeowners race and class privilege ultimately good intentions and a desire for diversity alone do not challenge structural racial social and economic disparities This book makes a compelling case for how power and privilege are reproduced in daily interactions and calls on readers to question commonsense understandings of space and inequality in order to better understand how race functions in multiethnic America

Call Me Wheels Geoffrey E. Matesky,2010-02-17 In the year 2000 I thought I had life pretty much figured out at least for a
 guy who had spent the last 16 years paralyzed and permanently confined to a wheelchair As the survivor of a horrific car
 accident at age 19 I had rolled through some pretty rough territory enduring not only hostile physical landscapes but hostile
 attitudes of those around me as well I was tougher than most or so I thought but all of that changed the day I became a step
 parent It is the year 2000 and I have become the Master of my disabled realm I can pop up and down steep curbs in my
 wheelchair and make it look like childs play I can disassemble and pack my wheelchair into my car in under 30 seconds flat I
 can swim 1000 yards non stop in under thirty minutes using only my arms for propulsion I can push on these wheels longer
 and harder than anybody all day long for as long as I need to without uttering a single complaint Yet how in the world am I
 going to change the diaper of this kicking screaming two year old that Ive been left alone with for the first time How on earth
 am I supposed to chase this tender Kindergartener up the stairs after he has just made off with my 200 pair of Oakley
 sunglasses And what will I do the day they figure out that they can take me out of action completely by tipping me over
 backwards in my wheelchair They Call Me Wheels is my story how I fell in love with my future wife Elizabeth and virtually
 overnight became a wheelchair bound stepparent to her two young sons Josh and Ben embarking upon the most arduous
 terrifying and at the same time the most extraordinary and satisfying adventure Ive had yet to experience Wheels the
 nickname given to me by the cocky disbelieving cronies of Elizabeths ex husband chronicles a three year span where I
 literally roll slap dash and headlong into the unknown at times Im frustrated foiled and ready to throw in the towel but in the
 end I am actually beginning to believe that I just might be making a difference in the lives of my newly acquired family that is
 until its my turn to give Josh the dreaded Puberty Talk **Generalist Social Work Practice** Janice Gasker,2023-02-12

 Perry,2016-12-22 We are in a bind writes Evelyn M Perry While conventional wisdom asserts that residential racial and

long block parties In Chicago's Block Clubs Amanda I Seligman uncovers the history of the block club in Chicago from its origins in the Urban League in the early 1900s through to the Chicago Police Department's twenty first century community policing program Recognizing that many neighborhood problems are too big for one resident to handle but too small for the city to keep up with city residents have for more than a century created clubs to establish and maintain their neighborhood's particular social dynamics quality of life and appearance Omnipresent yet evanescent block clubs are sometimes the major outlets for community organizing in the city especially in neighborhoods otherwise lacking in political strength and clout Drawing on the stories of hundreds of these groups from across the city Seligman vividly illustrates what neighbors can and cannot accomplish when they work together **FRIENDSHIP: When It's Easy and When It's Not** Kitty
