Monsoon Dream Nilani De Silva, 2005-08-30 Born into a wealthy and noble Sri Lankan Catholic family living on the outskirts of Colombo the young Anushka finds herself torn between two very different worlds The strict code of conduct that governs every member of her household demarcates the deep gap separating the Westernised elitist bourgeoisie of which Anushka is a reluctant member and the ethnic Sinhalese traditions they disdain taking their cue from the colonials who have ruled their country for centuries Preserved and cherished by the low caste Buddhist peasants from Hinnagama village who work for her family these traditions have an irresistible appeal for the rebellious Anushka It is her independent spirit and the quest for living life on her terms which invite harsh physical punishment from her authoritarian father The humiliation and countless hardships she suffers as a result impel her to leave the village and move to the capital city Colombo where hazards lurk for single women living alone In a country in the grip of civil war the result of a stand off between the Sinhalese dominated government and separatist Tamil guerrillas bent on creating an independent state for themselves Anushka s dream for freedom drives her to England but things turn awry She ended up behind locked doors Will the indomitable Anushka adapt herself to every obstacle thrown her way and succeed where so many others have failed Written with sensitivity insight and uncompromising candour by Nilani de Silva this novel is a lyrical and evocative work that shocks with its moments of violence and cruelty Illuminated with hope yet tinged with despair the Monsoon Dream is as much a portrait of a spirited young woman who dares to challenge the anachronistic values of a conservative island society As it is of a schizophrenic era in Sri Lanka s turbulent post colonial history that is both reluctant to shake off its subservience to its British legacy and steeped in the ancient ethnic prejudices of caste and creed Finally Monsoon Dream is about life itself in all its glorious uncertainty melancholy disillusioning bitter on the one hand joyous affirmative and radiant with hope on the other

Archaeologia: Or, Miscellaneous Tracts, Relating to Antiquity.. Society of Antiquaries of London,1800 **Archaeologia, Or, Miscellaneous Tracts Relating to Antiquity** ,1800 *Contributions to Education* ,1908 *Lusosex* Susan Canty Quinlan,Fernando Arenas, Some of the most compelling theoretical debates in the humanities today center on representations of sexuality This volume is the first to focus on the topic in particular the connections between nationhood sex and gender in the Lusophone or Portuguese speaking world Written by prominent scholars in Brazilian Portuguese and Lusophone African literary and cultural studies the essays range across multiple discourses and cultural expressions historical periods and theoretical approaches to offer a uniquely comprehensive perspective on the issues of sex and sexuality in the literature and culture of the Portuguese speaking world that extends from Portugal to Brazil to Angola Cape Verde and Mozambique Through the critical lenses of gay and lesbian studies queer theory postcolonial studies feminist theory and postmodern theory the authors consider the work of such influential literary figures as Clarice Lispector and Silviano Santiago An important aspect of the volume is the publication of a newly discovered and explicitly homoerotic poem by Fernando Pessoa published here for the first time in the original Portuguese and in English translation Chapters take up questions of queer performativity and activism female subjectivity and erotic desire the sexual customs of indigenous versus European Brazilians and the impact of popular music as represented by Caetano Veloso and others on interpretations of gender and sexuality Challenging static notions of sexualities within the Portuguese speaking world these essays expand our understanding of the multiplicity of differences and marginalized subjectivities that fall under the intersections of sexuality gender and race *The New Popular Educator* ,1898 **The Popular Educator** ,1856 *Commentaries on the Laws of England* William Blackstone,1827 *The Comic History of England* Gilbert Abbott À Beckett,1894 *A Comic History of England* Stephen Basdeo,2025-08-30 A humorous critique of the trends of turning serious subjects into comedy Nothing now succeeds unless it s in the comic line We have comic Latin grammars and comic Greek grammars indeed I don t know but what English grammar too is a comedy altogether All our tragedies are made into comedies by the way they are performed

and no work sells without comic illustrations to it I have brought out several new comic works which have been very successful For instance The Comic Wealth of Nations The Comic Parliamentary Speeches I even propose to bring out a Comic Whole Duty of Man All these books sell well they do admirably for the nurseries of the children of the aristocracy In fact they are as good as manuals and text books Those words from best selling Victorian novelist George W M Reynolds were a nod to the work of a writer named Gilbert Abbot Beckett Beckett loved history and writing about history but he was also something of a comedian Then one day he had a bright idea What if history could be funny and still be factual and educate people He resolved to start writing a funny history book which he named The Comic History of England which was originally serialised in Punch in 1847 It was an irreverent take on the conservative history books of Beckett s day Kings and queens emerge as mean spirited petty rascals and to look for their virtues would require the aid of one of those solar microscopes which give visibility to the merest atom and the particle Other monarchs such as King John were downright useless and allowed himself to be bullied by bulls papal bulls The Church came off not better either being the medium of extortion and taking hard earned money off the people In this history book then readers can laugh with C sar during his invasion of Britain stand in the sea with Canute and joke about Richard on the field of Bosworth
