The Poor and the Perfect Neslihan Senocak, 2012-05-01 One of the enduring ironies of medieval history is the fact that a group of Italian lay penitents begging in sackcloths led by a man who called himself simple and ignorant turned in a short time into a very popular and respectable order featuring cardinals and university professors among its ranks Within a century of its foundation the Order of Friars Minor could claim hundreds of permanent houses schools and libraries across Europe indeed alongside the Dominicans they attracted the best minds and produced many outstanding scholars who were at the forefront of Western philosophical and religious thought In *The Poor and the Perfect* Neslihan Senocak provides a grand narrative of this fascinating story in which the quintessential Franciscan virtue of simplicity gradually lost its place to learning while studying came to be considered an integral part of evangelical perfection Not surprisingly turmoil accompanied this rise of learning in Francis's order Senocak shows how a constant emphasis on humility was unable to prevent the creation within the Order of a culture that increasingly saw education as a means to acquire prestige and domination The damage to the diversity and equality among the early Franciscan community proved to be irreparable But the consequences of this transformation went far beyond the Order it contributed to a paradigm shift in the relationship between the clergy and the schools and eventually led to the association of learning with sanctity in the medieval world As Senocak demonstrates this episode of Franciscan history is a microhistory of the rise of learning in the West

Learning From Buddha H.H. Dorje Chang Buddha III, 2020-09-04 This book *Learning from Buddha* is a Dharma that H H Dorje Chang Buddha III openly imparted in Miami Florida for disciples who accompanied Him on that trip It is also a most important Dharma treasure that all Buddhist disciples must study and put into practice in order to attain accomplishment and liberation When this Dharma was being imparted a gigantic leaf of a Western bodhi tree fell from the air in front of all who were there That occurrence added a holy miracle to this Dharma treasure

Reinventing Work Martin Reeves,Deborah Lovich,2024-10-21 Organizations often declare that their biggest asset is their people As such business leaders make constant efforts to hire the best talent and to get the best out of their workers But a confluence of forces is reshaping all aspects of talent management A war for talent rages and will be exacerbated in the long term by demographic aging the half life of skills is decreasing as AI powers more parts of business workflows flexible and hybrid work models are becoming commonplace and management methods focused on measurement and efficiency are not sufficient for engaging a purpose seeking generation In these turbulent times CEOs and their entire teams not just HR need to rethink how they can create a people advantage going beyond traditional approaches to organization performance management and compensation This book a collection of recent essays written by researchers at the BCG Henderson Institute Boston Consulting Group s think tank aims to help leaders to reinvent work by providing a forward looking perspective on all aspects of talent management Across five chapters the book discusses How to attract the talent of the future How to shape the workforce in an evolving context How to embrace new models of work How to build the workplace

of the future How to establish new models of leadership and culture By providing a combination of new ideas real world examples and concrete recommendations Reinventing Work serves as a guide for leaders to effectively navigate the changing nature of work

Doing AI Richard Heimann,2021-12-14 Artificial intelligence AI has captured our imaginations and become a distraction Too many leaders embrace the oversized narratives of artificial minds outpacing human intelligence and lose sight of the original problems they were meant to solve When businesses try to do AI they place an abstract solution before problems and customers without fully considering whether it is wise whether the hype is true or how AI will impact their organization in the long term Often absent is sound reasoning for why they should go down this path in the first place Doing AI explores AI for what it actually is and what it is not and the problems it can truly solve In these pages author Richard Heimann unravels the tricky relationship between problems and high tech solutions exploring the pitfalls in solution centric thinking and explaining how businesses should rethink AI in a way that aligns with their cultures goals and values As the Chief AI Officer at Cybraics Inc Richard Heimann knows from experience that AI specific strategies are often bad for business Doing AI is his comprehensive guide that will help readers understand AI avoid common pitfalls and identify beneficial applications for their companies This book is a must read for anyone looking for clarity and practical guidance for identifying problems and effectively solving them rather than getting sidetracked by a shiny new solution that doesn't solve anything

Perfection Learning The Outsiders Answer: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Perfection Learning The Outsiders Answer : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Perfection Learning The Outsiders Answer : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
