**What is Energy?**

The ability to do work or cause change

**What is work?**

When a force causes an object to move in the direction of the force.

One day Bob was speaking to his brother and asked, "What will happen when we use all of the energy we have?" His brother replied "We simply make more."

Explain why Bob and his brother are both incorrect. (Make sure to name the law(s)).

**Law of Conservation of Energy**

Energy is measured in \_\_\_\_\_ (units) \_\_\_\_\_.

Power \_\_\_\_\_ is the rate at which energy is transferred or the amount of energy transferred in a unit of time.

**What are the two basic types of energy and how are they defined?**

- 1) Potential – Stored energy that results from a position or shape of an object.
- 2) Kinetic – Energy of motion

materials included in this book were selected by panels of teachers and scientists using evaluation criteria developed for the guide. The criteria reflect and incorporate goals and principles of the National Science Education Standards. The annotations designate the specific content standards on which these curriculum pieces focus. In addition to the curriculum chapters, the guide contains six chapters of diverse resources that are directly relevant to middle school science. Among these is a chapter on educational software and multimedia programs, chapters on books about science and teaching, directories and guides to science trade books and periodicals for teachers and students. Another section features institutional resources. One chapter lists about 600 science centers, museums, and zoos where teachers can take middle school students for interactive science experiences. Another chapter describes nearly 140 professional associations and U.S. government agencies that offer resources and assistance. Authoritative, extensive, and thoroughly indexed, and the only guide of its kind, *Resources for Teaching Middle School Science* will be the most used book on the shelf for science teachers, school administrators, teacher trainers, science curriculum specialists, advocates of hands-on science teaching, and concerned parents.
