

English 101: Composition
Dr. Cori Adler

North Seattle Community College
Summer Quarter 2009

Paper 1 Personal Experience Essay

Due: Monday July 13 Draft
Wed July 15 Final (+ all Preliminaries – see “What To Turn In” below)

Length: at least 3 pages

Format: Use this standard formatting system for this and future papers in this class. It will also meet most of your other professors’ expectations for college papers.

Your Name
Course number and title (Engl 101 Composition)
Professor's Name
Name of Assignment and Version (Personal Experience Essay
Version and Prompt option (Prompt A Draft 1)
Date you turn the paper in

Your Essay's Title, Capitalized Like This

Indent the first line of each paragraph. Always double space (after the heading).

Please DO NOT skip additional spaces between paragraphs. You can find an example of a paper formatted in this way on page 778 of your textbook Patterns for College Writing.

Papers absolutely must be typed and stapled. I will not accept unstapled papers.

Your papers do not need a title page. Usually, title pages are used only with papers of ten pages or more.

Personal Experience Paper Guidelines

Diana Hacker, Nancy Sommers

Personal Experience Paper Guidelines:

The Lea Guide To Composition James D. Williams, 2005-04-11 The LEA Guide to Composition is firmly based on research into how people learn to write and draws on the most significant strategies and techniques in composition studies. But this text is not just about the act of writing. It is about using writing as a vehicle for learning about the world, about the academy, about oneself. The focus is on writing as a means of interpretation. The emphasis throughout is on encouraging reflection and developing critical thinking skills. Although the text suggests ways of teaching that reflect knowledge about how people most easily learn to become competent writers, it is specifically designed to allow for numerous approaches to teaching composition. Instructors will value this flexibility. This text is finely tuned to the needs and interests of today's composition students and teachers. Classroom tested at various universities over a four-year period to refine and improve its effectiveness, the Guide is distinguished by a range of carefully crafted instructional features.

Reading Writing Connection An extensive selection of fresh, thought-provoking professional work allows students to internalize models and acquire appropriate genre familiarity. Student papers are included to illustrate how others have responded to real writing tasks similar to those the readers of this book will face.

Critical Reading and Thinking Numerous reading selections are thoroughly analyzed to provide models of close critical reading. Critical Reading Guides provided for some selections draw students in by asking rhetorical questions that develop critical thinking skills and better understanding of how the authors produced key effects.

Diverse Voices Specially designed writing activities encourage students who are non-native speakers of English or who come from non-mainstream cultural backgrounds to share their perspectives with the entire class.

Writing Activities More than 60 writing activities of various types are included, suitable for students with a range of writing experience. Many of these are short assignments that are linked to longer ones, which allows students to build their skills sequentially, adding new skills as old ones are practiced and mastered.

Writing Guides Based on years of teaching experience, these guides provide detailed information and concrete practical advice about how to succeed on selected assignments in each chapter.

Group Activities Selected writing assignments include collaborative workshop activities that prompt students to engage in a variety of group efforts that enhance the writing process. As a result, group work progresses with a clear purpose and well-defined goals, leading to more student involvement and ultimately better writing.

Application of Key Ideas Writing Assignments, Writing Guides, and Critical Reading Guides are complemented by activities that allow students to practice using important concepts discussed in the text that progress with a clear purpose and well-defined focus before they begin an actual assignment.

Journal Entries Prompts throughout the text are included to increase the amount of writing students do to enhance reflection and critical thinking and to engage students in reflecting on and making connections between college and their lives outside of class.

Handbook The handbook provides basic information about the form and function of language. It focuses on the usage conventions that are a crucial part of academic writing. In addition, it covers differences and similarities in the specific

conventions that govern writing in the humanities social sciences and science The documentation formats for these three major divisions of the undergraduate curriculum are described in detail with full length student papers to illustrate the formats in context An Instructor s Manual is available with this text upon adoption *The International Student's Guide to Writing a Research Paper* Janine Carlock,Maeve Eberhardt,Jaime Horst,Peter Kolenich,2017-06-13 The International Student s Guide to Writing a Research Paper is a reference text for undergraduate students and those in ESL or bridge courses who are writing a research paper for the first time This book is partly an update of Writing a Research Paper by Lionel Menasche 1998 and partly a companion to The ESL Writer s Handbook Each section of the book includes a discrete task called a Building Block which requires students to apply the skills learned toward the development of their own paper This step by step approach allows students to construct knowledge as they become more familiar with the process making writing a research paper a less intimidating task Special features This guide uses simple direct language for those for whom writing a research paper is new Most example writing is from international students in an ESL program or first year writing class including two sample papers one in APA and one in MLA A section on responding to instructor feedback to provide students with the tools to read and understand comments and use them to improve the first draft A subsection dedicated to constructing clear and cohesive paragraphs and sentences The guide includes citation and style examples in MLA 8th edition

The Real Life Guide to Accounting Research Christopher Humphrey,Bill H.K. Lee,2007-11-29 The Real Life Guide to Accounting Research is a book that goes behind the more official presentations and accounts of research methods to explore the lived experiences joys and mistakes of a wide range of international researchers principally working in the fields of accounting and finance but also in management economics and other social sciences The authors of the articles in this book address a wide range of issues and obstacles that they have confronted at various stages in their respective research careers In reflecting on their personal experiences they provide practical guidance on how to overcome the types of problems that typically confront researchers in their day to day work Practical tips on how to undertake research and get findings published Research project management skills International and interdisciplinary perspectives *Arnold Grummer's Complete Guide to Easy Papermaking* Arnold Grummer,1999-02-05 The Fun and Easy Way to Make Beautiful Paper Step by step illustrated instructions for basic papermaking Methods to make handmade paper safe for scrapbooking 27 art and decorative techniques for endless variations Adding botanicals and other nonpaper ingredients If you set out to find the best papermaking teacher in the world your search would lean to Arnold Grummer Not only is his knowledge of the subject all encompassing but his methods are so simple and easy that he truly makes the process fun And the results will amaze you so many varieties of beautiful sheets of paper so many ingenious ways to change the effect Whether you use your paper for fun party invitations elegant wedding invitations personal greeting cards or as framed art you ll have the satisfaction of knowing you created it yourself A champion of our planet Arnold believes that waste paper is not waste fiber and shows how to recycle

any and all types of paper Unlimited resources are available in your office waste basket without spending a penny on materials Water and fiber blended to pulp colored with inks and dyes already in the paper produce stunning new sheets that are truly art in every sense of the word
