Scientists say studying effectively is not a function of how long or how often you study it's the order, schedule and timing of your studies. Traditional study guides tend to be nothing more than extended versions of repeated cram sessions which is neither efficient nor effective. Cramming is the opposite of Cognitive Recall learning evidenced by the extremely short-lived benefits. The memories from a cram session have been shown to fade away after only a few hours. That's not an option if you are serious about passing the NLN PAX CUSTOMIZED STUDY SCHEDULE. Designed around the ideal timeframe of 30 days, our system can be easily extended or reduced to fit your specific schedule and test date. This PAX Guide has the functionality of a customizable calendar telling you not only what to focus on but when to focus on it.

Pax-PN Practice Questions: Nursing Practice Tests and Exam Review for the Nln Pre-Admission Examination (Pax) Pax Nursing Exam Secrets Test Prep, 2014-07-14. PAX PN Practice Questions are the simplest way to prepare for the PAX PN test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Our PAX PN Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our PAX PN Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
