Birthday Meredith Russo,2025-06-25 Lovers who surmount the odds have always been intense emotional fodder but rarely have we seen a story like Birthday true and raw haunting and undeniable The New York Times Book Review Two best friends A shared birthday Six years ERIC There was the day we were born There was the minute Morgan and I decided we were best friends for life The years where we stuck by each other s side as Morgan s mom died as he moved across town as I joined the football team as my parents started fighting But sometimes I worry that Morgan and I won t be best friends forever That there ll be a day a minute a second where it all falls apart and there s no turning back the clock MORGAN I know that every birthday should feel like a new beginning but I m trapped in this mixed up body in this wrong life in Nowheresville Tennessee on repeat With a dad who cares about his football team more than me a mom I miss more than anything and a best friend who can never know my biggest secret Maybe one day I ll be ready to become the person I am inside To become her To tell the world To tell Eric But when Six years of birthdays reveal Eric and Morgan s destiny as they come together drift apart fall in love and discover who they re meant to be and if they re meant to be together

From the award winning author of *If I Was Your Girl* Meredith Russo comes a heart wrenching and universal story of identity first love and fate Beautifully written *Birthday* is an altogether singular contribution to the gradually growing body of transgender literature and indeed to mainstream literature as well ALA Booklist starred review Muslim, Christian, Jew – “I Do” Hazel Wise,2019-08-31 For centuries the planet has witnessed episodic mistrust between Islam Christianity and Judaism But the planet is shrinking and many people in their selection of a mate will consider someone from another religion This memoir sheds light on the level of awareness and communication needed to make such marriages viable and scrutinizes the all too common scenario of young girls marrying for an identity It provides through lived experience a fish bowl view of one woman s journey through three interfaith marriages told conversationally right down to the sharing of recipes Blended family dynamics and childhood cancer throw in further grist for the mill A final stormy divorce provides the catalyst for a much needed character arc discernment about women s identities and the embrace of marriage as an endeavor more human than religious And finally it offers brief informational segments on marriage in Islam Christianity and Judaism along with some beautiful legends all of which illustrate the commonality of marriage rather than the differences of dogma **Living In the Land of the Uprights** Kathaleen Sorensen,2024-07-23 I strive to create an example of all that I can be so that others in my situation can see disability for what it is Disability does not separate me from anyone All people are disabled and only some are temporarily enabled Everyone will age Everyone will need a little help If people understand this then all are equal Thomas Thomas is a brilliant student an advocate for people with special needs and a loving son and brother He has a rare form of muscular dystrophy that over a short time leaves him completely physically helpless He cannot roll over swat away flies or feed himself and he requires 24 7 care But despite his daily challenges Thomas never lets his disability get in the way Always quick with a joke he s eternally optimistic finds the positive in any situation and looks out for those around him trying to make their day better In *Living in the Land of the Uprights* Thomas s mother Kathy recounts Thomas s journey as their family faces uphill battles navigating doctor s appointments visits to emergency rooms advocating for funding and fighting for equal rights for Thomas A close knit family they celebrate successes and support each other through heartbreak In his time on earth Thomas faces the world on his terms and wows everyone he encounters never taking no for an answer and lobbying to move across the country to follow his dream He and his family have no idea of the powerful impact he will have and how he will change so many lives When you read this book not only will you feel the pure blissful passion of Thomas s life story but you will also learn how to leave a legacy that will live forever as Thomas has done through kindness perseverance and humour **Let Me Eat Cake** Leslie F. Miller,2009-04-14 Few creations are more associated with joy or more symbolic of the sweet life than cake After all it is so much more than dessert As a book about cake would demand this one is a multilayered amply frosted delicious concoction with a slice or more for everyone *Let Me Eat Cake* is not a book about baking cake but about eating it Author Leslie F Miller embarks on a journey not a journey cake although it s in there into the moist

white underbelly of the cake world She visits factories and local bakeries and wedding cake boutiques She interviews famous chefs like Duff Goldman of Food Network's *Ace of Cakes* and less famous ones like Roland Winbeckler who sculpts life size human figures out of hundreds of pounds of pound cake and buttercream frosting She takes decorating classes shares recipes and samples the best cakes and the worst The book is held together by the hero on a quest one that traces cake history and tradition If we were to bake a cake to celebrate the birth of cake cake is an Old Norse word first used around 1230 it is hard to say how many candles would go on top Though the meaning of the word originally lump of something not to mention our expectations of its ingredients has changed over time we now celebrate cake as the coming together of flour sugar butter eggs vanilla baking powder and a pinch of salt And what a celebration Baking a cake is hard work but tasting it is pure pleasure So put on some elastic waist pants and grab a fork **Cry Back To Happiness** Aisha Hydera, 2025-02-09

Cry Back To Happiness is a journey of friendship love and self discovery with three dynamic women as they navigate challenges that test their conviction faith and resilience Daraja holds on to pride like an armour protecting her from submitting to love entirely Will she compromise and reach out to her estranged husband or will it be her fall Fatima has a choice to make religion or a man like no other Or can she have both India's opportune discovery is the catalyst for embarking on a soul search to see if love can conquer or severs all It is an adventure in pursuit of happiness through upholding tradition preserving friendships and giving love another chance Catalog of Copyright Entries Library of Congress.
