So You Want to Be a Doctor? David Metcalfe, Harveer Dev, Michael Moazami, 2021 Applying to medical school is like asking someone to marry you This might seem like an exaggeration however over your life you will spend more hours

working than you will spend awake with your life partner Like marriage being a doctor will change who you are influence where you live and affect what you can do with your life For the right person this can be a wonderful life affirming experience Otherwise divorce from a medical career can be messy painful and upsetting *Annual accountability hearing with the Nursing and Midwifery Council* Great Britain: Parliament: House of Commons: Health Committee,2011-07-26 The Health Committee reports on the annual accountability hearings with the General Medical Council GMC HC 1429 and Nursing and Midwifery Council NMC HC 1428 The reports call for doctors and nurses to develop a wider responsibility for the overall quality of care delivered to patients and they have an obligation as professionals to report to their professional body any concerns they have about the quality of care being delivered by their colleagues The GMC and the NMC must give a strong lead in this area and ensure that failure to act on this responsibility is regarded as a serious breach of professional obligation The Committee stresses that both regulators need to have effective revalidation processes in place so that they can periodically check on how doctors and nurses are performing The Committee recognises that the NMC is making steady progress towards being an effective regulator but cautions that there remains substantial ground to cover before it can be considered fully effective work around pro active regulation risk based visits must be expanded guidance about the care of older people must be reinforced by an action plan to deliver improved outcomes in this group Government and both regulators must speed up efforts to resolve the serious problems posed by doctors and nurses who qualify elsewhere in Europe and earn the right to work in the UK without having their language or medical skills tested The UK and European law that underpins the workings of both regulators needs a complete overhaul **BMJ** ,1989 *Dental Practice* ,1982 Cumulated Index Medicus ,1991 *British Education Index* ,2002 **Current Research in Britain** ,1991 The Cumulative Book Index ,1990 A world list of books in the English language **The Lancet** ,1942 Sociological Abstracts Leo P.
