Not Dead Yet:

Not dead yet John Cordy Jeaffreson, 1864 *Not Dead Yet* Kris Hagan, 2025-07-12 Not Dead Yet This isn't some carefully crafted life story with neat chapters and dramatic turning points. It's just a collection of real things that happened: the strange, ridiculous, and occasionally touching moments that stuck with me. Some of these stories are about family, some about friends, exes, weddings, travel, and the general chaos of existing. I didn't write everything; some chapters had to go, but I wrote the ones I could still laugh about. These are the bits people always told me to write down. So I did. Not in any particular order and definitely not with any life-changing moral at the end, but hopefully with a few laughs and the occasional 'Wait, what?' It's not a memoir. It's not fiction. It's just Not Dead Yet.

Not Dead Yet Phil Southerland, John Hanc, 2025-08-22 Part memoir, part sports adventure. Not Dead Yet tells the inspirational story of Phil Southerland's battle with Type 1 diabetes and how, from diagnosis to sheer determination, he beat all odds and turned his diagnosis and his passion for cycling into a platform. From leading a Race Across America to managing a world-class cycling program, Southerland's journey on and off the bike has helped change the way the world views diabetes. When Phil Southerland was seven months old, he lost ten pounds in a week; his body was limp, and his breathing slowed to what his mother called a death rattle. Rushing him to the ER, she was informed that tiny Phil displayed the youngest case of diabetes on record in the world at that time. Blindness, kidney failure, and death were all predicted for him by age twenty-five. Decades later, not only is Phil alive and well, but as the founder of Team Type 1, he and his team of championship cyclists, many of them diabetics, have become health and fitness role models for people the world over. Together, they took on some of the most challenging endurance events in the world, including winning the Race Across America, a grueling 3,000-mile endurance competition twice. Today, Phil continues to lead Team Type 1 as CEO. Not Dead Yet is Phil's powerful story, his account of his relationship with his mother and how she struggled to keep him alive, growing up quickly in the New Old South of the 1990s, learning at the tender age of 6 years old how to check his glucose and give himself injections, of how he fulfilled his dream of becoming a professional athlete using his team and the bike as a platform, inspiring thousands of individuals and families around the world who are battling diabetes to not just chase but catch their dreams.

Not Dead Yet Barbara Ballinger, Margaret Crane, 2021-08-11 Two long-time, seventy-something writing partners share how they and other aging boomers can navigate this new stage of their lives with optimism, energy, humor, honesty, and empathy. It's a gift to reach old age and to arrive there well and ready for more years. The two authors of Not Dead Yet find that it's time now to tidy up their lives, to live fully in the moment with less clutter, better planning, and to free themselves to travel more, read, work, volunteer, and enjoy grown children and grandchildren. These later years bring challenges, but also the advantage of wisdom about their minds and bodies. Not Dead Yet is the one book that brings home all the challenges in witty, meaty chapters that provide realistic solutions through the experiences of its two female septuagenarian authors, as well as through those of other boomer women and men of varying incomes, religions, ethnicities.

and locations From sex and dating to travel and volunteer work writers Barbara Ballinger and Margaret Crane who faced becoming single in their last book Suddenly Single After 50 now cope with the older decades by employing the same humor honest storytelling empathy and energy Their conclusions reflect a firm resolve that there is much life yet to be lived Giving hope guidance and optimism to readers they provide affirmation for anyone hoping to clear the hurdles and live life fully presently and with an eye toward fulfillment and wellness

Not Dead Yet Phil Collins, 2017-09-12 Phil Collins pulls no punches about himself his life or the ecstasy and heartbreak that s inspired his music In his much awaited memoir Not Dead Yet he tells the story of his epic career with an auspicious debut at age 11 in a crowd shot from the Beatles legendary film A Hard Day s Night A drummer since almost before he could walk Collins received on the job training in the seedy thrilling bars and clubs of 1960s swinging London before finally landing the drum seat in Genesis Soon he would step into the spotlight on vocals after the departure of Peter Gabriel and begin to stockpile the songs that would rocket him to international fame with the release of Face Value and In the Air Tonight Whether he s recalling jamming with Eric Clapton and Robert Plant pulling together a big band fronted by Tony Bennett or writing the music for Disney s smash hit animated Tarzan Collins s storytelling chops never waver And of course he answers the pressing question on everyone s mind just what does Sussudio mean Not Dead Yet is Phil Collins s candid witty unvarnished story of the songs and shows the hits and pans his marriages and divorces the ascents to the top of the charts and into the tabloid headlines As one of only three musicians to sell 100 million records both in a group and as a solo artist Collins breathes rare air but has never lost his touch at crafting songs from the heart that touch listeners around the globe That same touch is on magnificent display here especially as he unfolds his harrowing descent into darkness after his official retirement in 2007 and the profound enduring love that helped save him This is Phil Collins as you ve always known him but also as you ve never heard him before

Not Dead Yet Herbert Gold, 2011-08-01 An upbeat memoir to savor and admire Still Alive proves that in your later years you can still be going strong and having fun Old age is a shipwreck Charles de Gaulle once observed Not so says Herb Gold in this lively often hilarious memoir of his first seven decades He is clearly enjoying every moment to its fullest This is a book about how time overtakes us how reminiscence loss hope pain success failure the lifelong accumulation of dreams and reality crowd about us with every passing day Combining a fascinating selection of people places and key events from a long life into the alembic of his ever fertile imagination Gold has distilled gold from his uncanny ability to recall conversations anecdotes atmosphere and telling detail By turns wickedly funny Prostate surgeries and hysterectomies are not immediately visible at art gallery openings and touching It s harder to learn how to laugh alone Still Alive in this age of overheated memoirs will surely find its way to a grateful audience both young and young at heart

Not Dead Yet Jenn Burke, 2019-02-04 Don t miss this thrilling and suspenseful second chance romance book one in a fan favorite supernatural detective series from Jenn Burke Dying isn t what it used to be Wes Cooper was dead Then he wasn t though he s not exactly alive either As an immortal not ghost he can
