representatives of European institutions and non governmental organisations Speakers from different legal systems and jurisdictions exchanged views on the ways to address the complexity that protection of human rights online presents for the judiciary The seminar focused on three major subjects judicial protection of freedom of expression and the right to privacy in the digital environment the concept of jurisdiction in the World Wide Web and the implications of Big Data Given the breadth and significance of the issues arising in this complex technical and fast evolving area the publication of these keynote contributions will undoubtedly inform further reflection on these matters by judges legislators experts and perhaps most importantly the general public **Disney Theme Parks and America's National Narratives** Bethanee Bemis, 2022-12-27

Disney Theme Parks and America's National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies For over 65 years Disney's theme parks have been important locations for the formation and negotiation of the collective memory of the American narrative Disney's success as one of America's most prolific storytellers its rise as a symbol of America itself and its creation of theme parks that immerse visitors in three dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves Like all versions of the American narrative Disney's vision serves to reassure us affirm our shared values and unite a diverse group of people under a distinctly American identity or at least it did The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large This volume also examines the following how Disney's original cartoons and live action entertainment offerings drew from American folk history and ideals how their work during World War II cemented them as an American symbol at home and abroad how the materialization of the American themes already espoused by the brand at their theme parks created a place where collective memory lives how legitimization by presidents and other national figures gave the theme parks standing no other entertainment space has how Disney has changed alongside the American people and continues to do so today This book will be of interest to students and scholars of history media cultural studies American studies and tourism
