Script Musical South Pacific:

South Pacific Jim Lovensheimer, 2010-08-26 Rodgers and Hammerstein's Tony and Pulitzer Prize winning musical *South Pacific* has remained a mainstay of the American musical theater since it opened in 1949 and its powerful message about racial intolerance continues to resonate with twenty first century audiences Drawing on extensive research in the Rodgers and the Hammerstein papers including Hammerstein's personal notes on James A Michener's *Tales of the South Pacific* Jim Lovensheimer offers a fascinating reading of *South Pacific* that explores the show's complex messages and demonstrates how the presentation of those messages changed throughout the creative process Indeed the author shows how Rodgers and especially Hammerstein continually refined and softened the theme of racial intolerance until it was more acceptable to mainstream Broadway audiences Likewise Lovensheimer describes the treatment of gender and colonialism in the musical tracing how it both reflected and challenged early Cold War Era American norms The book also offers valuable background to the writing of *South Pacific* exploring the earlier careers of both Rodgers and Hammerstein showing how they frequently explored serious social issues in their other works and discussing their involvement in the political movements of their day such as Hammerstein's founding membership in the Hollywood Anti Nazi League Finally the book features many wonderful appendices including two that compare the original draft and final form of the classic songs *I'm Gonna Wash That Man Right Out a My Hair* and *I'm In Love With a Wonderful Guy* Thoroughly researched and compellingly written this superb book offers a rich intriguing portrait of a Broadway masterpiece and the era in which it was created *Michener's South Pacific* Stephen J. May, 2011-03-20 The creation of one of the most beloved books and Broadway musicals of the century When the Japanese military attacked Pearl Harbor James A Michener was an obscure textbook editor working in New York Within three years he was a naval officer stationed in the South Pacific By the end of the decade he was an accomplished author well on the way to worldwide fame Michener's first novel *Tales of the South Pacific* won the Pulitzer Prize Richard Rodgers and Oscar Hammerstein used it as the basis for the Broadway musical *South Pacific* which also won the Pulitzer How this all came to be is the subject of Stephen May's *Michener's South Pacific* An award winning biographer of Michener May was a featured interviewee on the fiftieth anniversary DVD release of the film version of the musical During taping he realized there was much he didn't know about how Michener's experiences in the South Pacific shaped the man and led to his early work May delves deeply into this formative and turbulent period in Michener's life and career using letters journal entries and naval records to examine how a reserved middle aged lieutenant known as Prof to his fellow officers became one of the most successful writers of the twentieth century [Blues Mamas and Broadway Belters](#) Masi Asare, 2024-09-20 In *Blues Mamas and Broadway Belters* songwriter scholar and dramatist Masi Asare explores the singing practice of black women singers in US musical theatre between 1900 and 1970 Asare shows how a vanguard of black women singers including Gertrude Ma Rainey Bessie Smith Ethel Waters Pearl Bailey Juanita Hall Lena Horne Eartha Kitt Diahann Carroll and Leslie

Uggams created a lineage of highly trained and effective voice teachers whose sound and vocal techniques continue to be heard today Challenging pervasive narratives that these and other black women possessed untrained voices Asare theorizes singing as a form of sonic citational practice how the sound of the teacher s voice lives on in the student s singing From vaudeville blues shouters black torch singers and character actresses to nightclub vocalists and Broadway glamour girls Asare locates black women of the musical stage in the context of historical voice pedagogy She invites readers not only to study these singers but to study with them taking seriously what they and their contemporaries have taught about the voice Ultimately Asare speaks to the need to feel and hear the racial history in contemporary musical theatre

Fixing the Musical Douglas L. Reside, 2023 Thousands of shows have opened on Broadway Why do we remember some and not others The musical theatre repertory is not composed of titles popular in the theatre but by those with successful cast recordings movie versions or even illegal bootlegs on YouTube The shows audiences know and the texts and music they expect to hear when they attend a production are defined by media consumed at home more than by memories of performances witnessed in the theatre For example author Doug Reside shows that it is no accident that the serious book musical with a fixed score developed in the 1940s when commercially pressed and marketed record albums made it possible to record most of the score of a new musical in a fixed medium And Hamilton a musical with dense lyrics and revolutionary musical style would not have been as easily accessible to world audiences if most hadn't already had the opportunity to learn the score by listening to free digital streams of the original cast recording The technologies that made these media possible developed concurrently with and shaped the American musical as an art form Reside uncovers how the affordances and limitations of these technologies established a repertory of titles that are most frequently performed and defined by the texts used in these performances Fixing the Musical argues that the musicals we most remember are those which most effectively used their era's best recording and distribution technologies to document and share the work with those who would never see the original production on Broadway
