Sda 2015 Bible Study Guide:

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Black Liberation theology LGBTQ Issues Critical Race Theory CRT White Nationalism Faith Deconstruction Edited by Dr Eric Mason and featuring a top notch lineup of contributors such as Anthony Bradley Brandon Washington and Thabiti Anyabwile Urban Apologetics Cults and Cultural Ideologies equips pastors churches and everyday believers to engage the most common ethical biblical and theological challenges faced by Christians and the church today What Every Seventh-Day Adventist Should Know About the Shepherd's Rod Garrick D. Augustus,2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd's Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism Virtuous Woman Clifford Chaukura,2015-12-15 What constitutes a virtuous woman How does one find virtue and over what period of time This book contains insightful chapters emphasising this attribute of virtue which every woman should seek more than anything else in life While there are many books on the market with countless suggestions on how to be a virtuous person this book stands apart in showing proven pathways of virtue which many successful women trod through without any regrets It is my hope that those who go through the pages of this book with a heart filled with earnest zeal to be a virtuous woman will definitely receive rich rewards in that regard Health and Wholeness Across Cultures Katia Garcia Reinert,2025-09-16 Every human was created to experience health and wholeness but due to sin brokenness is all around us God invites us to collaborate with Him in His mission to restore humanity As Seventh day Adventists sharing health healing and wholeness is an integral part of our mission This comprehensive book by Dr Katia Reinert is a must for anyone who is interested in embracing God's mission of health and healing across cultures It provides solid spiritual historical cultural scientific practical and programmatic foundations to explain WHY we should be involved WHAT we must share and HOW to be effective **Malachi's Use of Joel's Day of the Lord** Petronio M. Genebago,2023-07-07 The Day of the Lord texts of Malachi Mal 3 2 7 4 5 demonstrate that he seems to allude to Joel's Day of the Lord 2 11 13 31 MT 3 4

Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel. A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored. Thus the passages themselves call for an inner biblical allusion study. In addition, the interpretive significance of Joel's Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated. Thus these are the interrelated questions: a) What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord? b) How did Malachi use Joel's Day of the Lord motif? c) How did Malachi develop the Day of the Lord theme in his book? There are three purposes of this study. The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord. The second is to determine how Malachi used Joel's Day of the Lord motif. The last is to ascertain how Malachi developed the Day of the Lord theme in his book.

The Present Truth and the LGBTQ+ Movement Nelson Mercado, 2024-10-15. The Present Truth refers to God's end time messages intended to prepare the world to meet Jesus. These messages are found in Revelation 14:6-12 and are also known as the Three Angels' Messages. However, as part of his deceptions, Satan is seeking to distract and confuse the church by the LGBTQ ideology. Today there are many voices in Christianity and in the Seventh-day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle. Pastor Mercado believes that following the road of affirmation will lead to a loss of credibility and will dilute the end time messages of preparation. Yet acknowledging that LGBTQ people are already in our churches, he provides guidelines on how to treat them redemptively while not compromising biblical values.

Seventh-day Adventist Health Reform: A Crucible of Identity Tensions Richard B. Ferret,2023-07-20 The Seventh day Adventist church formally organized in America in 1863 is today one of the fastest growing Protestant movements in the world and defines itself as a prophetic remnant raised up and commissioned by God to teach and preach a final message of warning to the world before the imminent return of Christ From its beginnings however a sense of failure was built into the success of the fledgling movement In order to preserve the message the imminent return of Christ Adventists had to erect institutions based on continuity and permanence A dilemma emerged medical institutions built to be conducive for separation from the world faced a this worldly reality filled with requirements from various state entities registration approval and so forth Thus Adventist medical institutions confronted constant challenges to their denominational and theological uniqueness The emergence of this dilemma between aspirations of separateness and this worldly reality was especially evident in the battle for Adventism s sectarian identity ethos and future at the turn of the twentieth century between Ellen G White a cofounder of the movement and Dr John H Kellogg an Adventist administrator and surgeon who sought to desectarianize the movement
