## Sea Of Poppies:

Sea of Poppies Amitav Ghosh, 2009-09-29 The first in an epic trilogy Amitav Ghosh's *Sea of Poppies* is a remarkably rich saga which has plenty of action and adventure à la Dumas but moments also of Tolstoyan penetration and a drop or two of Dickensian sentiment. The Observer London At the heart of this vibrant saga is a vast ship the *Ibis*. Her destiny is a tumultuous voyage across the Indian Ocean shortly before the outbreak of the Opium Wars in China. In a time of colonial upheaval fate has thrown together a diverse cast of Indians and Westerners on board from a bankrupt raja to a widowed tribeswoman from a mulatto American freedman to a free spirited French orphan. As their old family ties are washed away they like their historical counterparts come to view themselves as *jahaj bhai*s or ship brothers. The vast sweep of this historical adventure spans the lush poppy fields of the Ganges the rolling high seas and the exotic backstreets of Canton. With a panorama of characters whose diaspora encapsulates the vexed colonial history of the East itself *Sea of Poppies* is a storm tossed adventure worthy of Sir Walter Scott. **Sea of Poppies** Amitav Ghosh, 2009-10-06 At the heart of this epic saga set just before the Opium Wars is an old slave ship *The Ibis*. Its destiny is a tumultuous voyage across the Indian Ocean its crew a motley array of sailors stowaways and convicts. In a time of colonial upheaval the ship boasts a diverse cast of Indians coolies and Westerners from a bankrupt raja to a widowed village woman from a mulatto American to an evangelical opium trader. As their family ties wash away they come to view themselves as *jahaj bhai*s or ship brothers and an unlikely dynasty is born. The vast sweep of this historical adventure spans the lush poppy fields of the Ganges the rolling high seas and the back streets of China. But it is the panorama of sharply drawn characters that brings *Sea of Poppies* so breathtakingly alive. The first in a trilogy this is a masterpiece by a world class novelist. Now in *River of Smoke* the former slave ship flounders in the Bay of Bengal caught in the midst of a deadly cyclone. The storm also threatens the clipper ship *Anahita* groaning with the largest consignment of opium ever to leave India for Canton. Meanwhile the *Redruth* a nursery ship carries horticulturists determined to track down the priceless botanical treasures of China. All will converge in Canton's Fanqui town or Foreign Enclave a powder keg awaiting a spark to ignite the Opium Wars. A spectacular adventure but also a bold indictment of global avarice. *River of Smoke* is a consuming historical novel with powerful contemporary resonance. **Amitav Ghosh's Sea of Poppies** Neha Pillay, Shashank Gupta, 2021 **River of Smoke** Amitav Ghosh, 2012-11-06 In September 1838 a storm blows up on the Indian Ocean and the *Ibis* a ship carrying a consignment of convicts and indentured labourers from Calcutta to Mauritius is caught up in the whirlwind. When the seas settle five men have disappeared two lascars two convicts and one of

the passengers Did the same storm upend the fortunes of those aboard the Anahita an opium carrier heading toward Canton And what fate befell those aboard the Redruth a sturdy two masted brig heading east out of Cornwall Was it the storm that altered their course or were the destinies of these passengers at the mercy of even more powerful forces On the grand scale of a historical epic River of Smoke follows its storm tossed characters to the crowded harbours of China There Bahram Modi a wealthy Parsi opium merchant out of Bombay his estranged half Chinese son Ah Fatt the orphaned Paulette and a motley collection of others whose pursuit of romance riches and a legendary rare flower are thrown together All struggle to cope with their losses and for some unimaginable freedom in the alleys and crowded waterways of nineteenth century Canton As transporting and mesmerizing as an opiate induced dream River of Smoke will soon be heralded as a masterpiece of twenty first century literature

**Flood of Fire** Amitav Ghosh, 2015-08-04 A Christian Science Monitor Best Fiction Book of the Year A Guardian Best Book of the Year A San Francisco Chronicle Best Book of the Year The stunningly vibrant final novel in the bestselling Ibis Trilogy from Amitav Ghosh Flood of Fire It is 1839 and China has embargoed the trade of opium yet too much is at stake in the lucrative business and the British Foreign Secretary has ordered the colonial government in India to assemble an expeditionary force for an attack to reinstate the trade Among those consigned is Kesri Singh a soldier in the army of the East India Company He makes his way eastward on the Hind a transport ship that will carry him from Bengal to Hong Kong Along the way many characters from the Ibis Trilogy come aboard including Zachary Reid a young American speculator in opium futures and Shireen the widow of an opium merchant whose mysterious death in China has compelled her to seek out his lost son The Hind docks in Hong Kong just as war breaks out and opium is pouring into the market like monsoon flood From Bombay to Calcutta from naval engagements to the decks of a hospital ship among embezzlement profiteering and espionage Amitav Ghosh's Flood of Fire charts a breathless course through the culminating moment of the British opium trade and vexed colonial history

It is a story of capture, escape, and romance with lovely nymph Fayaway. The narrative is based on the author's actual experiences in the South Pacific. *Omoo: A Narrative of Adventures in the South Seas* is a sequel to the *Sea* narrative. *Typee* After leaving the island of Nuku Hiva, the narrator ships aboard a whaling vessel that makes its way to Tahiti, after which there is a mutiny and the majority of the crew are imprisoned on Tahiti. *Omoo* is also based on the author's experiences in the South Pacific. Herman Melville (1819-1891) was an American novelist, short story writer, and poet of the American Renaissance period. His writing draws on his experience at sea as a common sailor, exploration of literature and philosophy, and engagement in the contradictions of American society in a period of rapid change. *The Transmutation of Love and Avant-Garde Poetics* Jeanne Heuving, 2016-05-19 *The Transmutation of Love and Avant-Garde Poetics* is a probing examination of how the writing of sexual love undergoes a radical revision by avant-garde poets in the twentieth and twenty-first centuries. Today, the exploration of love by poets, long a fixture of Western poetic tradition, is thought to be in decline, with love itself understood to be a mere ideological overlay for the more real entities of physical sex and desire. In *The Transmutation of Love and Avant-Garde Poetics*, Jeanne Heuving claims that a key achievement of poetry by Ezra Pound, H. D., Robert Duncan, Kathleen Fraser, Nathaniel Mackey, and others lies significantly in their engagement with the synergistic relations between being in love and writing love. These poets, she argues, have traded the clichéd lover of yore for impersonal or posthuman poetic speakers that sustain the gloire and mystery of love poetry of prior centuries. As Robert Duncan writes, "There is a love in which we are outcast and vagabond from what we are, that we call falling in love." Heuving claims that this writing of love is defining for avant-garde poetics, identifying how such important discoveries as Pound's and H. D.'s Imagism, Pound's *Cantos*, and Duncan's open-field poetics are derived through their changed writing of love. She draws attention to how the prevailing concept of language as material is inadequate to the ways these poets also engage language as a medium as a conduit enabling them to address love afresh in a time defined through preoccupations with sexuality. They engage love as immanent and change it through a writing that acts on itself. *The Transmutation of Love and Avant-Garde Poetics* ascribes the waning of love poetry to its problematic form, a genre in which empowered poetic speakers constitute their speech through the objectification of comparatively disempowered subjects or beloveds. Refusing this pervasive practice, the poets

she highlights reject the delimiting one sided tradition of masculine lovers and passive feminine beloveds instead they create a more nuanced dynamic poetics of ecstatic exploration what Heuving calls projective love and libidinized field poetics a formally innovative poetry in which one perception leads directly to the next and all aspects of a poem are generative of meaning
