**The Sappho Romance** Sam Skyborne, Jacquie Lyon, 2023-02-01 A Sapphic tale of love and intrigue The best kept secret of antiquity the veil has finally been lifted on the legend of Sappho and her true love Phaon A vivid tale of rivalry passion power loss and love It all started on an unsinkable ship caught in the eye of a raging storm Here politics and passion collided and by an act of the Gods a young slave girl is spared and given another chance at life a life beyond even her wildest imaginings They said a slave could not surpass her master They said a wife is the property of her husband They said women had no place in a man's world Three courageous women choose to break the rules to follow their hearts leaving a trail of mystery myth and legend so bizarre that it has taken almost 3000 years to uncover If you enjoy Madeline Miller Pat Barker Samantha Shannon and you like a lesbian fiction twist then this is a treat for you Praise for this book This is a great yarn interwoven with misunderstandings and subterfuge worthy of a Shakespearean love story A gripping imaginative read A joy An absolutely thrilling and intelligent tale Alternative lesbian history at its best a must read Beware of spoilers in the reviews below that are without spoiler alerts Sign up to Sam's VIP Reader Club to receive news and notification of future releases See back of this book for details

**Unlocking the Love-Lock** Ceri Houlbrook, 2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow From the introduction I was

distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image     *The Roll Call and Other Stories* Lucy Henry,1892     Athenaeum ,1874
