Catalog of Sears, Roebuck and Company Sears, Roebuck and Company, 1954 Managing Organizational Deviance Roland E. Kidwell, Christopher L. Martin, 2005 The success of an organization may be dependent on limiting the potential for deviant behavior and if necessary reacting to deviant behavior in a positive way Managing Organizational Deviance goes beyond questions of control to also consider ethical dimensions of conduct As a result it teaches students who will go on to inhabit organizations to become familiar with the ethical implications of deviant and dysfunctional behavior in addition to managing this behavior in an effective way **Cheating** Deborah L. Rhode, 2018 Cheating is deeply embedded in everyday life Costs attributable to its most common forms total close to a trillion dollars annually This book offers the only recent comprehensive account of cheating in everyday life and the strategies necessary to address it across a wide range of contexts sports organizations taxes academia copyright infringement marriage and insurance and mortgages Beyond the Game Gary Smith, 2014-09-30 Fifteen compelling stories from the acclaimed Sports Illustrated correspondent who's been hailed as one of America's finest sportswriters Gary Smith's sportswriting stands among the best journalism being written today His award winning stories shatter the confines of traditional sports reportage getting beneath the wins and losses and penetrating into the hearts of the athletes themselves into their lives and personal struggles their communities and their worlds Beyond the Game brings together fifteen of Smith's greatest stories from groundbreaking profiles of international stars like Mike Tyson and Magic Johnson to intimate looks at lesser known athletes whose lives are driven by the thrill of competition and the love of a game There is Damned Yankee the heartbreaking story of John Malangone who seemed destined to succeed Yogi Berra as the Yankees starting catcher until his career was destroyed by the crushing weight of a childhood trauma that continued to haunt him Someone to Lean On is the inspirational story of an extraordinary retarded man named Radio and the South Carolina high school football team that has adopted him for over thirty years Shadow of a Nation tells of a Crow Indian community's intense passion for basketball and how former high school star Jonathan Takes Enemy must struggle to escape the tragic history of his tribe as he seeks a place in the world outside the reservation The stories in Beyond the Game are stories of dreams and fears failure and triumph self destruction and salvation set in the twilight shadows between the sun drenched playing fields and brightly lit arenas at the heart of sports and the darkness of the locker rooms and lonely streets that lurk at their periphery Each of Gary Smith's moving stories will profoundly touch you and remain with you long after you have closed the pages of this book **Auto Mechanics** Kevin L. Borg, 2007-06 The history of automobiles is not just the story of invention manufacturing and marketing it is also a story of repair Auto Mechanics opens the repair shop to historical study for the first time by tracing the emergence of a dirty difficult and important profession Kevin L Borg's study spans a century of automotive technology from the horseless carriage of the late nineteenth century to the check engine light of the late twentieth Drawing from a diverse body of source material Borg

explores how the mechanic's occupation formed and evolved within the context of broad American fault lines of class race and gender and how vocational education entwined these tensions around the mechanic's unique expertise He further shows how aspects of the consumer rights and environmental movements as well as the design of automotive electronics reflected and challenged the social identity and expertise of the mechanic In the history of the American auto mechanic Borg finds the origins of a persistent anxiety that even today accompanies the prospect of taking one's car in for repair *202 High Paying Jobs You Can Land Without a College Degree* Jason R. Rich, 2006-06-01 THE FIRST STEP TO A DYNAMIC CAREER You have something in common with Bill Gates Michael Dell and Ted Turner None of them graduated from college If they can make it you can too Don't settle for a minimum wage job just because you're not a college graduate Try one of these 202 high paying options They're more than jobs they're careers This book helps you Define your interests and skills and figure out what job is perfect for you Impress recruiters by perfecting resumes cover letters applications and interview skills Choose from 202 opportunities that lead to high income and long term financial stability Get the inside scoop on salary ranges career paths working conditions and job responsibilities for each opportunity Avoid dead end jobs Find the career that's right for you and start your new life today *The Cheating Culture* David Callahan, 2007-02-01 A public policy expert reveals how decades of deregulation and increasing inequality have fostered a culture of cheating across America There have always been people who cut corners but in *The Cheating Culture* David Callahan demonstrates how cheating on every level from the highly publicized corporate scandals to Little League fraud has risen dramatically in recent decades He then asks the simple yet provocative questions Why all the cheating Why now Callahan pins the blame on today's dog eat dog economic climate An unfettered market and unprecedented economic inequality have corroded our values and threaten the level playing field so central to American democracy itself Through revealing interviews and extensive data analysis Callahan takes readers on a revealing tour of cheating in America and offers a powerful argument for why it matters *Auto Repair Fraud* United States.
