Blood & Betrayal Scarlett Grey,2023-06-03 With the Marriage Law set to go into effect Freya Adrya and Embyrlyn must take their destinies in their own hands unless they want to lose their freedom to someone they could never love Then again fate is always deliciously cruel and serves irony Freya is tired of being weak and pathetic The

people are her are dying and she's determined to get strong so she can protect them. But when it's implied she could be responsible for their deaths through the use of a dark magic she can't control, she realizes the only danger to others could be herself. And when Kent is made her Protector, she isn't sure she'll be able to control her mouth, let alone her magic, because of how much he infuriates her. Adrya has always known Matthyw has a reputation. However, the last thing she expects is for her father to condemn her to a public bedding ceremony to ensure the legitimacy of their forced marriage. Matthyw refuses to share her with anyone else, let alone allow spectators to watch him rut in her like a sport, but if she wants to save her reputation and marry Matthyw, she doesn't have much of a choice. After the full moon ceremony, Embyrlyn is ready to start the mission until the mark Kazu left on her neck during their one night of passion starts affecting her. The last thing she expects is to be told she belongs to him. How will she accomplish the mission of seducing a Light Bringer if she's bound to a possessive wolf who still hates her despite everything that happened between them? And does she even want to?

Fans of sensual slow burns, unapologetically savage alpha male shifters who will set the world on fire for irresistibly fierce and stubborn heroines, and forbidden age gap romance with forced proximity and arranged marriages will devour this new dark paranormal fantasy romance long into the night by a debut author. *The Claverings* Anthony Trollope, 1894 **When There's No One Else But God** Lindsay Ch  nell Hill, 2010 Where do I go when there's nobody else to turn to? Who do I talk to when nobody wants to listen? Who do I lean on when my foundation of life is crumbling? I'm Lindsay Hill and I'm sinking fast. My husband of eight years is in harm's way fighting a war in Iraq, my three children rely on me to be mother and father, and the doctor says Mrs. Hill, we found cancer. This feeling is unfamiliar to me. My hands are cold, palms are sweating, head thumping, heart racing, and I can't breathe. It's fear, and I know it is, and it's lurking around every corner. It has me trapped. I'm scared to go to sleep and I'm scared to wake up. The ground all around me is sinking about to swallow me up. All I did was wake up one day I am under attack and I can't see the attacker. He is everywhere and I feel him getting closer. I smell him. It's the smell of hatred. No, it's the smell of death. I can't give up. I can't let him catch me. He is after me and he wants me dead. Read about Lindsay's journey and how she travels the only road available to her. *Progressive Stenographer*, 1909

What Readers Do Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century, Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry, digital environments, and each other. We live in an era when book clubs, bibliomemoirs, Bookstagram, and BookTok are as valuable to some readers as solitary reading moments. The product of nearly two decades of qualitative research into readers and reading culture, *What Readers Do* examines reading through three dimensions: aesthetic, conduct, moral, and self-care, to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism. Analyzing reading as a post-digital practice that is a synthesis of both print and digital modes and on and offline behaviors, Driscoll presents a methodology for studying readers that connects book history, literary studies, sociology, and actor network theory. Arguing for

the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read
