The Global Repositioning of Japanese Religions Ugo Dessi, 2016-07-01 The Global Repositioning of Japanese Religions An Integrated Approach explores how Japanese religions respond to the relativizing effects of globalization thereby repositioning themselves as global players Organized around concrete case studies focusing on the engagement of Japanese Buddhism Shinto and several new religious movements in areas such as ecology inter religious dialogue and politics this book shows that the globalization of Japanese religions cannot be explained simply in terms of worldwide institutional expansion Rather it is a complex phenomenon conditioned by a set of pervasive factors changes in consciousness the perception of affinities and resonances at the systemic and cultural levels processes of decontextualization and a wide range of power issues including the re enactment of cultural chauvinism The author investigates these dynamics systematically with attention to broader theoretical questions cross cultural similarities the definition of religion and the perils of ethnocentrism in order to develop

his Global Repositioning model which constitutes an integrated approach to the study of Japanese religions under globalization An empirically grounded and theoretically informed study of the effects of global trends on local religions this book will appeal to scholars and students with interests in globalization religious studies Japanese studies Hawaii sociology anthropology and ecology

When Getting Along Is Not Enough Maureen Walker, 2019 Now more than ever race has become a morphing relational dynamic that has less to do with the demographic census box we check and more with how we make sense of our lives who we are and who we can become in relationships with others Using anecdotes from her practice as a licensed psychologist and as an African American growing up in the South Walker provides a way for educators and social service professionals to enter into cross racial discussions about race and race relations She identifies three essential relational skills for personal transformation and cultural healing that are the foundations for repairing the damage wrought by racism While Walker does not sugarcoat the destructive history of racism that we all inherit in the United States the book's vision is ultimately affirming empowering hopeful and inclusive about the individual and collective power to heal our divisions and disconnections

Book Features Presents a new way of understanding race as a relational dynamic and racism as a symptom of disconnection Synthesizes for the first time two important systems of thought relational cultural theory and race social identity theory Includes Pause to Reflect exercises designed to stimulate group conversations in book clubs social justice groups staff development classrooms and workplace training Offers practical everyday solutions for people of different races to better understand and accept one another

Leaders Leap Steve Dennis, 2024-04-23 Leaders Leap goes beyond the standard business playbook and teaches you the secrets to creating the bolder faster and essential transformation needed to avoid becoming irrelevant in an era of profound and accelerating change Renowned thought leader on business strategy and innovation Steve Dennis argues that most business transformations are doomed to fail due to two fundamental reasons their leaders don't aim high enough delivering mostly incremental changes rather than something truly remarkable and they move far too slowly to keep up with the pace of disruption This gap between what is required in a world of seismic shifts in technology and customer requirements and what is typically delivered risks putting many organizations on the road to extinction Solid strategy team building and process planning are essential and there are plenty of books out there to show you how to improve them all but these elements are not enough on their own to ensure success During a 40 year career where he ascended to the senior leadership roles at two Fortune 500 companies followed by becoming an in demand strategic advisor and keynote speaker Dennis observed C suite executives underestimate the scope magnitude and speed of change needed to survive much less thrive In Leaders Leap he makes the case for why a complete metamorphosis of leadership mindset is essential to prevent organizations from becoming irrelevant and explores seven profound mind leaps leaders need to make now to transform at the speed of disruption This book takes leaders on a courageous journey of self reflection personal accountability and growth exposing the ways in which our ego defects blind spots confirmation bias and

defense mechanisms get in the way of the progress we need to make How the accelerating pace of disruption is making old strategic frameworks useless and why we need to think bigger act more boldly and move much faster How the executive ego prevents us from seeing this new reality and can limit our acceptance of new strategies for change How fear and pride constrain vision and lead to timid transformation programs that are virtually guaranteed to fail Why decades of leadership experience can undermine the ability to let go of outdated ideas to think and act more boldly With illuminating case studies and hard earned personal wisdom Dennis helps you create important strategic and mental shifts to find humility sharpen your customer focus amplify your brand s wow factor and truly innovate at the speed of disruption If you want your organization to make the leap from imperiled to thriving Leaders Leap provides an inspiring call to action and the catalyzing ideas to guide you to a more remarkable and sustainable future *Integrating Health Humanities, Social Science, and Clinical Care* Anna-leila Williams,2018-12-07 The health humanities are widely understood as a way to cultivate perspective compassion empathy professional identity and self reflection among health professional students This innovative book links humanities themes social science domains and clinical practice to invite self discovery and recognition of universal human experiences Integrating Health Humanities Social Science and Clinical Care introduces critical topics that rarely receive sufficient attention in health professions education such as cultivating resilience witnessing suffering overcoming unconscious bias working with uncertainty understanding professional and personal roles and recognizing interdependence The chapters encourage active engagement with a range of literary and artistic artefacts and guide the reader to question and explore the clinical skills that might be necessary to navigate clinical scenarios Accompanied by a range of pedagogical features including writing activities discussion prompts and tips for leading a health humanities seminar this unique and accessible text is suitable for those studying the health professions on both clinical and pre clinical pathways **How to Live When a Loved One Dies** Thich Nhat Hanh,2021-07-27 Comforting words of wisdom and powerful practices for transforming grief and loss into healing and joy from the beloved Zen Master Thich Nhat Hanh does not merely teach peace Thich Nhat Hanh is peace Elizabeth Gilbert author of Eat Pray Love In the immediate aftermath of a loss sometimes it is all we can do to keep breathing With his signature clarity and compassion Thich Nhat Hanh will guide you through the storm of emotions surrounding the death of a loved one How To Live When A Loved One Dies offers powerful practices such as mindful breathing arranging celebrations of life writing a love letter to your beloved and more Thich Nhat Hanh s guidance will help you reconcile with death and loss feel connected to your loved one long after they have gone and transform your grief into healing and joy
