The True Story of Noah's Ark Tom Dooley, Bill Looney, 2003-05-01 One of the most stunning, unique, and captivating books on the account of the Ark and the global Flood of Noah's day ever produced. Based on the account recorded in Genesis 6-9 in the Bible, the narrative is true to the biblical record and its timeline of events concerning Noah and the Great Flood, with added insight as to what it might have been like to be in Noah's shoes. The thrilling adventure of Noah comes to life through the dazzling, detailed illustrations by Bill Looney in the exciting True Story of Noah's Ark. The images of the interior of Noah's ark are like nothing you've ever seen before. The people and cities depicted here are certainly more advanced than what you've been led to believe. And this is not fiction; it's all biblically and historically based. This book is not just material for Ministry to Children but can also be used as an excellent Evangelical tool because it comes directly from the multi-media presentation of author Tom Dooley, who uses it to witness to multitudes of people across America every week. This dramatic and exciting retelling of a timeless Bible story is an excellent resource and should have a place in every Church Library.

Noah Davis Noah Davis, 2020-09-01 Providing a crucial record of the painter Noah Davis's extraordinary oeuvre, this monograph tells the story of a brilliant artist and cultural force through the eyes of his friends and collaborators. Despite his exceedingly premature death at the age of 32, Davis's paintings have deeply influenced the rise of figurative and representational painting in the twenty-first century. Davis's emotionally charged work places him firmly in the canon of great American painting. Stirring, elusive, and attuned to the history of painting, his compositions infuse scenes from everyday life with a magical realist atmosphere and contain traces of his abiding interest in artists such as Marlene Dumas, Kerry James Marshall, Fairfield Porter, and Luc Tuymans. This catalogue is born of the unique relationship between Davis and Helen Molesworth, whom Davis entrusted to be the curator of his work. It is published on the occasion of the 2020 exhibition at David Zwirner, New York, which travels to The Underground Museum in Los Angeles, a space that Davis founded with his wife, artist Karon Davis. In her introduction, catalogue essay, and interviews with important figures in Davis's life, Molesworth shows how the artist's generosity and sense of responsibility galvanized a uniquely supportive artistic community, culture, and vision. Together with color illustrations and archival photographs, the book features heartfelt testimonials that unfold in the intimate yet expansive spirit of studio visits with people close to him.
