Nothing Ever Happens In Paradise:

Nothing Ever Happens Alwyn M. Thurber, 1899 **Selected Works of Wilbur C. Tuttle** Wilbur C. Tuttle, I still contend that Magpie Simpkins is too finicky It s all right for a feller to desire to appear to a good advantage especially on Sunday but a finicky person hadn t ought to pack a gun at a time when he s just acquired something out of the ordinary in haberdashery New boots don t mean nothing but misery to me They could set diamonds all the way around the sole but just the same she don t spell nothing but blisters and cramps to Ike Harper Anyway I m so bow legged that my heels have got to be run over on the outside edges before I can be comfortable around the knees Magpie paid twenty dollars for them yaller boots They was glowing with youth vitality and shiny polish when Magpie leaned em against the side of that Pullman berth They was a thing of beauty and a joy forever A pair of boots ain t nothing but footwear except when they re the color of a sunset in Injun Summer and fit like the skin on a sausage and cost twenty dollars Some folks will likely argue that Magpie hadn t owned said boots long enough to become attached to em but to those critics I will say you don t have to have a twenty dollar bill around the house very long before you becomes sentimental about it Me and Magpie are on our way back from the Stampede at Totem where we went to clean up some money figuring that we knowed a little more than the fellers did who run the games We found out that honesty is a poor poker policy in Totem Magpie sheds bitter tears over them boots Their pristine yaller has went A porter suffering from color blindness lack of illumination or gin has rubbed em plentiful with black polish until there ain t nothing identifying left except the shape and size Magpie also bought a new blanket from an Injun robe vender It contains all the colors of the rainbow and the design is supposed to invoke a special blessing from some high cheeked god of some kind Magpie looks at said boots folds em reverently in the blanket and then pushes the bell in the berth Them boots has been under that seat ever since we got up in the morning Magpie being a heap vain desires to pack em openly and places same in the aisle at night along with his regular ones Now that he wishes to show off a little he opines to put em on He sets there in his socks and pushes that little button As I said before Magpie is too finicky and sudden No matter if he did know the certain porter connected with our car and didn t wait for an apology he might a sounded a warning He didn t hit the porter but he would as soon as he got used to the sway of that car cause his third shot busted the glass right by the porter s head Maybe the conductor was right and maybe he wasn t Anyway it s danged bad form to hop on to a man s back when he s trying to settle a personal matter Him and Magpie went down in the aisle and everybody begins to exercise their lungs Being part and parcel of Magpie s crew I immediate and soon bends my gun over the conductor s head Folks will likely say that I was wrong that I had no interest in them yaller boots but there s bound to be some Sundays when Magpie won t wear em and there ain t no law against me dressing up a little What is politely known as consternation seems to prevail Some folks even go so far as to try and hand us their valuables while others seem to have the instinct of prairie dogs and hunt a hole Then the train jerks to a stop which almost upsets me and Magpie backs into me poking shells into his gun *The Only Way Out* R.K.

The Last Prophet of Europe Dr. Oleg Maltsev, Jean Baudrillard is characterized as the Last Prophet of Europe not just because he was a prominent thinker French philosopher and author of more than 50 works and essays that examine modern consumer society in depth Events and phenomena described by Baudrillard in his works 20 30 years ago are taking place today By means of his writings he described his view of the world and explained why people and society are the way they are He encrypted in his works a system that allows for making accurate prognosis There was no book until this that could have demonstrated the integral system of Baudrillard s philosophy Baudrillard did not share it with anybody and did not describe it explicitly as a whole Figuratively speaking he deconstructed his system into bricks his writings then built a building out of them numbered each brick and dismantled the building and burned the schemes In the book Baudrillard Maestro The Last Prophet of Europe Oleg Maltsev thoroughly analyzes each brick and constructs Baudrillard s system presenting to readers for the first time a complete model the tools used by Baudrillard and his philosophy Throughout the 16 chapters of this book the author looks into all kinds of subjects raised by Baudrillard with practical examples among which the masses the kingdom of the blind the silent majority perfect crime European mysticism the symbolic system and many other phenomena are examined from the viewpoint of the scholar The author also shares his research results based on the philosophy and sociology of Baudrillard Dr Maltsev then examines Jean Baudrillard s works some of which had been translated into Russian for the first time his photographic pieces and interviews people who personally knew Baudrillard his critics and fellow researchers This work is a practical book for modern people who want to have an objective view of the current state of affairs and take responsibility for their present and future It provides an idea for the use of the philosophy sociology and radical anthropology of Baudrillard as the foundation of personal achievement efficiency and safety in such unstable and uncertain conditions of a constantly changing environment
