Leonard Philps Tolhurst

Sda Sabbath School Lesson Quarterly 2014:

The Gospel In The Setting Of End-Time Events Leonard Philips Tolhurst, 2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person s view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

El desarrollo de la doctrina de la Trinidad en la iglesia adventista Walter Erwin Steger, 2025-04-22 Muchos se sorprenden al enterarse de que los pioneros de la Iglesia Adventista del S ptimo D a en su mayor a rechazaron la doctrina de la Trinidad durante las primeras d cadas de la historia de la denominaci n Otros consideran que ese es argumento suficiente para rechazar la doctrina de la Trinidad hoy tambi n Sin embargo es importante preguntar por qu no cre an los pioneros en la Trinidad y qu aspectos puntuales de esa doctrina rechazaban Y m s importante a n c mo y por qu se introdujo la doctrina de la Trinidad en el seno de la Iglesia Este libro intenta responder estas preguntas a trav s de un rastreo y an lisis de las declaraciones antitrinitarias y trinitarias en la literatura adventista entre 1844 y 1946 demostrando el desarrollo progresivo de la doctrina de la Trinidad en la Iglesia adventista y las razones para su rechazo inicial y posterior aceptaci n Se analiza tambi n el papel de Ellen G White en ese desarrollo doctrinal y algunas posibles explicaciones para el lento proceso de aceptaci n de la doctrina de la Trinidad

Joy in the Night Don R. West, 2014-04-01 Sometimes life breaks us Sometimes we find ourselves lost in all the hurt and confusion we have to live with every day Sometimes it feels as though we cannot possibly endure another moment And sometimes we find ourselves so low that we literally weep through the night King David was familiar with and spoke often of this pain However he also knew of a greater hope a hope that has the ability to lift our spirits as we wait for the coming joy in the morning Joy in the Night shares ten of Don Rodney West s most popular sermons which he has presented around the world From Jamaica to Mexico to New York Pastor West provides the background information as to the location of his sermon

and the reason for choosing each topic before diving into the sermon Written with humor and compassion yet not lacking in seriousness and truth Pastor West delves into ten different concepts all of which reflect not only the joy we may experience in the morning but also the joy we can find in the night in the midst of our trials Daniel Eleven Mysteries Gordon Ziegler,2014-01-22 Some prophecies like Daniel 2 for the most part have been well understood by God's people for hundreds of years Daniel 11 is different Though the symbols are thrown off in that prophecy and the angel prophesies in plain language the prophecy has been more difficult because so many applications have presented themselves to scholars and it has not been clear which application is correct That is particularly true of the last verses of Daniel 11 The author has solved that problem by making all of the applications correct one after another in a sequence He finds there are more applications of the last verses of Daniel 11 than of any other known prophecy of scripture seven No wonder the prophecy has been intractable so long The author does careful exegesis and develops an unparalleled hermeneutic base for accurate interpretations 24 hermeneutic principles The research is not fruitless or moot because several earth shaking results are brought to view Ellen White points out the truth that the promises and threatenings of God are alike conditional 1SM 67 If the conditions were right any of the last day prophecies could be shortened by a Revelation 11 15 19 experience Then let not the reader become irrevocably fixed on the scenario of events in this book Prophecy will still be fulfilled no matter how events come to pass And the 24 hermeneutic principles will hold true regardless The reader will recognize the truth of the prophecies however they are fulfilled God bless the reader as he she reads and attempts to digest this book May you learn from it precious things showing the nearness of the coming of Jesus Amen *The Ellen G.
