Stewardship Manual GENERAL CONFERENCE OF S.D.A.,1970 *Seventh-day Adventist Church Manual*. General Conference of Seventh-Day Adventists,2005 *Everything Belongs to God* Sophirinia Sign,2017-01-01 This book invites you to study some of the kingdom principles involved in Christian stewardship conversion commitment involvement motivation potential faithfulness and sacrifice Test these principles in your life Make them part of your world You will reap the benefits of good stewardship **Seventh-Day Adventist Unveiled** Nicolette Bucknor, The purpose of this book is to share the truth and unveil the hidden deceit that is buried within the SDA Seventh Day Adventist religion I know Adventists are not the only religion to have strayed from the truth of the Bible but I hold the strong stance that if a religion contradicts the teachings of the Bible they are a false religion promoting a false gospel I do not say this to offend persons of other religions but at the same time I think it s important to be honest and straightforward when telling you what I believe The Bible is clear that Jesus is the way the truth and the life My goal is to share the truth and my motive for making this book is one of love The reason I am specifically focusing on Seventh Day Adventists is because I was a part of that religion so the matter is close to my heart I have a number of Adventist friends and family and whilst I know most of them would say their beliefs are based solely on the Bible sadly that is not the case The Adventist worldview has been shaped around the teachings and writings of Ellen G White Some Adventists do not even know that her supposed visions are what helped to establish the religion Her writings are still adhered to today as she claimed to have seen past present and future events Ellen G White considered herself to be more than a prophet and insisted that the words she wrote were not merely her own opinions but the words of God She concealed her contradictions of the Bible under the guise of receiving new light that the Bible prophets did not have The claim of being a prophet cannot be taken lightly and in order for us not to be deceived we must be prepared to test the words of any self proclaimed prophet 1 John 4 1 Beloved believe not every spirit but try the spirits whether they are of God because many false prophets are gone out into the world There is no other book in the world like the Bible as it contains the words of the living God The Bible has proven itself to be a reliable source of truth Through the Bible God has told us everything we need to know Hebrews 4 12 For the word of God is quick and powerful and sharper than any twoedged sword piercing even to the dividing asunder of soul and spirit and of the joints and marrow and is a discernor of the thoughts and intents of the heart My hope is that Adventists out there will be prepared to read this book with an open mind so that they can genuinely consider the points raised If you are not an Adventist but want to know more about their religion I hope this book can be useful to you too
