Sda Commentary 3 Of Egw:

Ellen G. White A Psychobiography Steve Daily,2020-12-16 This explosive work contains a great deal of highly documented material on the life and movement of Ellen G White that Adventists in general to say nothing of the public will not know The book is not a classic psychobiography although history and psychology are the primary disciplines employed It also contains a sprinkling of theology and personal reflection to make it a unique blend The most striking evidence presented raises major questions about the prophet s mental and moral health It is a must read for anyone who truly wants to understand Seventh Day Adventism and its prophetic founder A devastating work What Numbers and Rea started your book will finish John Dart 1936 2019 longtime religion editor Los Angeles Times I enjoyed the writing and the stories The anecdotes you included enriched the content Your writing was personal and I think readers will feel that you are writing to them and makes the book of increased value There is the same question with Joseph Smith Why do people stay in the face of such documentation What are the forces that keep them tied to source documentation of fraud Dr Robert Anderson psychiatrist author Inside the Mind of Joseph Smith Psychobiography and the Book of Mormon I found the material fascinating a powerful polemic Ronald Numbers William Coleman professor of History University of Wisconsin Madison author Prophetess of Health [The Ellen G. White Encyclopedia](#) Denis Fortin,Jerry Moon,2014-04-08 Everything About Ellen G White in One Resource This masterwork brings together hundreds of articles that describe the people and events in the life of Ellen White as well as her stand on numerous topics Doctrine and Theology use of the Apocrypha the holy flesh movement the humanity of Christ justification king of the north latter rain legalism perfection Health and Lifestyle dress reform football hydrotherapy insurance use of humor milk and cheese politics and voting secret vice time management Life Events her conversion General Conference session of 1888 great controversy vision iceberg vision San Francisco earthquake Places Gorham Maine Graysville Tennessee Loma Linda Sanitarium Oakwood Industrial School Pitcairn People Elizabeth Harmon Bangs the twin sister that Ellen worked to bring into the faith Fannie Bolton the literary assistant who was fired a surprising number of times John Byington the militant abolitionist and first General Conference president Sylvester Graham the temperance advocate whose cracker lives on today Moses Hull the evangelist who lost a debate with a spiritualist in more ways than one Everything from the hymns Ellen White loved to the homes she lived in are covered in heavily referenced articles You ll find a detailed chronology of her life and extensive articles on her ministry her theology and her statements in the light of advancing scientific knowledge Whether you re preparing a sermon teaching a class or finding answers to personal questions this single resource has the answers you need **The Redeemed Good Defense** Anthony MacPherson,2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been

accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense

The Seventh-Day Adventist Bible Commentary Francis David Nichol,1957 **Touched with Our Feelings**

Jean Rudolf Zurcher,1999 **Ellen White's World** George Angus Fulton Knight,George R. Knight,1998 Ellen Whites writings are important but they are only part of the story The other part is the social and intellectual context in which she wrote What was her world like What problems did it face What ideas were in vogue What religious movements did she interact with How did her ideas relate to the sentiments of other reformers of her day These and other questions stand at the heart of George R Knights third volume in his series on Ellen White The genius of Ellen Whites World is that it combines photographs with verbal descriptions to make Ellen Whites world come alive for the modern reader
