

The background of the cover is a vibrant, high-resolution photograph of a forest. A small, clear stream flows from the upper center towards the bottom left, cascading over large, flat rocks that are heavily covered in bright green moss. The surrounding forest is dense with various types of trees, including some with thick, gnarled trunks and others with more delicate, feathery foliage. The lighting is soft and dappled, creating a sense of a deep, moist woodland environment. The overall color palette is dominated by various shades of green, from deep forest greens to the bright, almost neon green of the moss.
