

Alain Badiou

Plato's *Republic*

A DIALOGUE IN 16 CHAPTERS

$\text{Id}(u,q) = \sum \{ \alpha(p) \leftrightarrow q \mid p \in T \}$
 $\alpha(p) \leftrightarrow p \leftrightarrow q \leq \alpha(q)$ par Ax.A.1
 $\alpha(p) \leftrightarrow \alpha(q) \leq p \leftrightarrow q$ par Ax.A.2
 $\alpha(p) \leftrightarrow \alpha(p) \leq p \leftrightarrow p$ Cas $q = p$
 $\alpha(p) \leq p \leftrightarrow p = p$
 $\alpha(p) \leftrightarrow p = \alpha(p)$ par Ex.A.2
 $\alpha(p) \leftrightarrow q \leq \alpha(q)$ par ci-dessus
De $\text{Id}(u,q) = \sum \{ \alpha(p) \leftrightarrow q \mid p \in T \}$
on tire alors $\text{Id}(u,q) \leq \alpha(q)$.

Plato S Republic A Dialogue In 16 Chapters

Ato Sekyi-Otu

Plato S Republic A Dialogue In 16 Chapters:

Plato's Republic Alain Badiou,2013-01-22 Plato's Republic is one of the best known and most widely discussed texts in the history of philosophy. But how might we get to the heart of this work today, 2,500 years after its original composition? Alain Badiou breathes life into Plato's landmark text and revives its universality. Rather than producing yet another critical commentary, he has instead worked closely on the original Greek and through spectacular changes adapted it to our times. In this innovative reimagining of Plato's work, Badiou has removed all references specific to ancient Greek society from lengthy exchanges about moral courage in archaic poetry to political considerations mainly of interest to the aristocratic elite and has expanded the range of cultural references. Here philosophy is firing on all cylinders. Socrates and his companions are joined by Beckett, Pessoa, Freud, and Hegel among others. Together these thinkers demonstrate that true philosophy endures ready to absorb new horizons without changing its essence. Moreover, Badiou, who is also a dramatist, has transformed the Socratic dialogue into a genuine oratorical contest. In his version of the Republic, the interlocutors do much more than simply agree with Socrates. They argue, stand up to him, put him on the spot, and show thought in motion. In this work of dramatic scholarship and philosophy, we encounter a modern version of Plato's text that is alive, stimulating, and directly relevant to our own world.

An Analysis of Plato's The Republic James Orr,2017-07-05 The Republic is Plato's most complete and incisive work, a detailed study of the problem of how best to ensure that justice exists in a real society rather than as merely the product of an idealized philosophical construct. The work considers several competing definitions of justice and looks closely not only at what exactly a just life should be but also at the ways in which society can organise itself in ways that maximise the opportunities for every member to live justly. Much of the discussion is via imagined dialogues, giving Plato the opportunity to deploy the tools of Socratic debate to remarkable effect. Nowhere else can it be argued that the Socratic dialectic is better exemplified than in The Republic. In large measure, Plato's success is the product of the acute analytical ability that he demonstrates throughout his surviving oeuvre. No one is better at understanding the relationships between the various parts of a successful argument than Plato, and The Republic also demonstrates that the Greek philosopher has few peers when it comes to looking for and highlighting the core assumptions that underlie an argument. The demolition of competing views that Plato puts into the mouth of Socrates is based on a series of relentless interventions and counter examples that this mastery makes possible. Combining analytical skills with great powers of reasoning to produce a well-structured solution that deals emphatically with counter arguments, Plato crafts one of the most enduring works of philosophy in the entire Western canon.

Truth in the Late Foucault Paul Allen Miller,2024-05-30 The first full treatment of truth as a core philosophical concept in the late Foucault, this volume examines his work on the ancient world and the early church. Each essay features a deep examination as to how the topics of truth and sexuality intersect with and focus on Foucault's engagement with ancient philosophy and thought. Truth in the Late Foucault offers readings on Plato, Artemidorus, Cicero, Sophocles, and the Stoics, and

pays close attention to Cassian Paulinus of Nola and early Christian practices of confession With the publication of the long awaited volume 4 of the History of Sexuality Confessions of the Flesh the shape of the final Foucault is now brought into stark relief As well as looking at ancient thought the contributors explore Foucault s work in relation to philosophers such as Gadamer Heidegger Derrida and Descartes Foucault s long running and often contentious dialogue with psychoanalysis on the relation between truth and the subject is also examined Each essay not only makes an important statement but also is part of an interconnected arc of topics and understanding covering both the ancient and modern periods This book reveals that Foucault s concern with antiquity raises questions deeply pertinent to the present moment Left Universalism,

Africacentric Essays Ato Sekyi-Otu,2018-08-06 Left Universalism Africacentric Essays presents a defense of universalism as the foundation of moral and political arguments and commitments Consisting of five intertwined essays the book claims that centering such arguments and commitments on a particular place in this instance the African world is entirely compatible with that foundational universalism Ato Sekyi Otu thus proposes a less conventional mode of Africacentrism one that rejects the usual hostility to universalism as an imperialist Eurocentric hoax Sekyi Otu argues that universalism is an inescapable presupposition of ethical judgment in general and critique in particular and that it is especially indispensable for radical criticism of conditions of existence in postcolonial society and for vindicating visions of social regeneration The constituent chapters of the book are exhibits of that argument and question some fashionable conceptual oppositions and value apartheid This book will be of great interest to students and scholars in the fields of social and political philosophy contemporary political theory postcolonial studies African philosophy and social thought

A Critical Companion to Lynn Nottage Jocelyn L. Buckner,2016-04-28 A Critical Companion to Lynn Nottage places this renowned award winning playwright s contribution to American theatre in scholarly context The volume covers Nottage s plays productions activism and artistic collaborations to display the extraordinary breadth and depth of her work The collection contains chapters on each of her major works and includes a special three chapter section devoted to Ruined winner of the 2009 Pulitzer Prize The anthology also features an interview about collaboration and creativity with Lynn Nottage and two of her most frequent directors Seret Scott and Kate Whoriskey **French XX Bibliography, Issue #65** Sheri K. Dion,2014-09-30 *Schooling,*

Human Capital and Civilization Bruce Moghtader,2023-08-18 This book explores the formation of human capital in education interrogating its social and ethical implications and examining its role in generating policies and practices that govern curriculum studies as an academic field Using an inquiry approach and offering an intellectual history of human capital theory through a genealogical methodology the author begins by contextualizing the formation of the theory and explores its correlation with the history of imperialism Tracing the concept of human capital from ancient slave societies to colonial empires the book arrives at the modern formulations of the concept in education systems and explores its impact on curriculum and pedagogy in the digital age Asking whether an approach that represented slaves machines animals and

property in its history is appropriate for forward looking democratic societies the author then uncovers crucial implications for educational equity and teacher development Presenting a unique genealogy of schooling humans as economic resources and offering a descriptive and critical analysis of its impact on education as lived experience the author excavates ideas and mentalities by which we think about modern schooling processes This approach supports the intellectual development of teachers and offers a critical assessment of power knowledge relations in curriculum studies Discerning associations between the human capital theory of education and technological progress with implications for ethics in the digital age it will be an outstanding resource for scholars and graduates working across comparative and international education the history of education curriculum studies digital education and curriculum theory For Badiou Frank Ruda,2015-05-30 For

Badiou serves both as an introduction to the influential French philosopher Alain Badiou s thought and as an in depth examination of his work Ruda begins with a thorough and clear outline of the sometimes difficult main tenets of Badiou s philosophy He then traces the philosophers throughout Western thought who have influenced Badiou s project especially Plato Descartes Hegel and Marx and on whose work Badiou has developed his provocative philosophy Ruda draws from Badiou s oeuvre a series of directives with regard to renewing philosophy for the twenty first century For Badiou continues the interrogations of its subject and raises new materialistic and dialectical questions for the next generation of engaged philosophers **Philosophy, Sophistry, Antiphilosophy** Matthew R. McLennan,2015-10-22 Alain Badiou s work in

philosophy though daunting has gained a receptive and steadily growing Anglophone readership What is not well known is the extent to which Badiou s positions vis vis ontology ethics politics and the very meaning of philosophy were hammered out in dispute with the late Jean Fran ois Lyotard Matthew R McLennan s Philosophy Sophistry Antiphilosophy is the first work to pose the question of the relation between Lyotard and Badiou and in so doing constitutes a significant intervention in the field of contemporary European philosophy by revisiting one of its most influential and controversial forefathers Badiou himself has underscored the importance of Lyotard for his own project might the recent resurgence of interest in Lyotard be tied in some way to Badiou s comments Or deeper still might not Badiou s philosophical Platonism beg an encounter with philosophy s other the figure of the sophist that Lyotard played so often and so ably Posing pertinent questions and opening new discursive channels in the literature on these two major figures this book is of interest to those studying philosophy rhetoric literary theory cultural and media studies **Slavoj Žižek and Radical Politics** Sean Homer,2016-05-05 In this

book Sean Homer addresses Slavoj i ek s work in a specific political conjuncture his political interventions in the Balkans The charge of inconsistency and contradiction is frequently levelled at i ek s politics a charge he openly embraces in the name of pragmatism Homer argues that his interventions in the Balkans expose the dangers of this pragmatism for the renewal of the Leftist politics that he calls for The book assesses i ek s political interventions in so far as they advance his self proclaimed ruthlessly radical aims about changing the world Homer argues the Balkans can be seen as i ek s symptom that element

which does not fit into the system but speaks its truth and reveals what the system cannot acknowledge about itself In Part II Homer explores i ek s radicalism through his critique of Alain Badiou arguing that Badiou s affirmationism provides a firmer grounding for the renewal of the left than i ek s negative gesture analyzed in Part I What distinguishes i ek from the majority of the contemporary Left today is his valorization of violence Homer tackles this issue head on in relation to political violence in Greece Finally Homer defends the utopian impulse on the radical left against its Lacanian critics
