[The Wu-Tang Manual](#) The RZA, Chris Norris, 2005-02-01 The Wu Tang Manual is The RZA s first written introduction to the philosophy and history of Hip Hop s original Dynasty the Wu Tang Clan Written in a style that is at once personal and philosophical The Wu Tang Manual unravels the intricate web of personalities and alter egos warrior codes numerological systems and Eastern spiritual ethics that define the Wu Tang dynasty Packed with information that reflects the breadth and depth of the RZA s and rest of the Clan s intellectual interests and passions The Wu Tang Manual is divided into four books of nine chambers each for a total of 36 chambers All together the book provides the breakdown of essential Wu Tang components from basic information about each of the nine core members of Wu Tang Clan to deeper explorations of the key themes of the Wu Tang universe a dictionary like Wu Slang lexicon and an entire section of Wu Tang lyrics with densely annotated explanations of what they mean For the hardcore Wu Tang disciple and the recent initiate alike The Wu Tang Manual is the definitive guide to the

essence of Wu one of the most innovative hip hop groups of all time The RZA's most recent book *The Tao of Wu* is also available from Riverhead Books *Mergent Industrial Manual* ,2003 **The Space of Sex** Shelton Waldrep,2021-05-20 As film and television become ever more focused on the pornographic gaze of the camera the human body undergoes a metamorphosis becoming both landscape and building part of an architectonic design in which the erotics of the body spread beyond the body itself to influence the design of the film or televisual shot The body becomes the *mise en scene* of contemporary moving imagery Opening *The Space of Sex* Shelton Waldrep sets up some important tropes for the book the movement between high and low art the emphasis on the body looking and framing the general intermedial and interdisciplinary methodology of the book as a whole *The Space of Sex*'s second half focuses on how sex gender and sexuality are represented in several recent films including Paul Schrader's *The Canyons* 2013 Oliver Stone's *Savages* 2012 Steven Soderbergh's *Magic Mike* 2012 Lars Von Trier's *Nymphomaniac* 2013 and Joseph Gordon Levitt's *Don Jon* 2013 Each of these mainstream or independent movies and several more are examined for the ways they have attempted to absorb pornography if not the pornography industry specifically into their plot According to Waldrep the utopian elements of seventies porn get reprocessed in a complex way in the twenty first century as both a utopian impulse the desire to have sex on the screen to re eroticize sex as something positive and lacking in shame with a mixed feeling about pornography itself with an industry that can be seen in a dystopian light In other words sex in our contemporary world still does not come without compromise
