To whom it may concern,

Please allow me to introduce myself. I have been a parent in the school district for 8 consecutive years, as well as a Beschwaner Vice President for over 5 years. In addition, I have been instrumental in starting a new athletic program as well as initiating the fundraising effort for the Ghilotti field turf.

Needless to say, I have been working with Redwood High School, as well as the district, in a volunteer capacity and have nothing but praise to say about the teachers and staff. This is the main reason why I would like to apply for a full time position at the school. It truly is a magical place where the opportunities for students are endless. I applaud that and would like to further aid in helping the students realize their abilities.

I have been working in leadership roles with responsibility for project managing and offering strategic direction to a myriad of industries. My expertise is in the ability to be a thought partner as well as a collaborator to influence change in the organization. I thrive on process in a chaotic environment yet encourage team work and collaboration. I am well respected by my peers, managers, as well as my subordinates.

I look forward to meeting you and discussing the open position in more detail.

Warmly,

Barbara Kelly
