Days before his 19th birthday Grid awakes in the middle of the night screaming THE ELEVATOR NO HANK He had just endured his first nightmare his first of two His dreams had been unusually pleasant to date all of them And until days before Grid's 19th Birthday the protagonists were people he didn't know or so he thought Every night since his second birthday Grid would dream about Mike and Hank The Brothers who weren't really Brothers the main characters of what played out like a series of movies in Grid's head every night as he slept He had wondered as a child what it was all about When he asked his mother Dolly she became inexplicably cross and lashed out at her son She convinced Grid that Hank and Mike weren't real And then Dolly warned her son sternly to never speak of it for fear that people would think Grid was crazy like his Grandfather He had died the day Grid was born She didn't tell him Mike was that grandfather and Hank was his uncle but not his real uncle Grid only began to wonder anew what it was all about after his first nightmare days before his 19th birthday on a Kibbutz in Israel He decided to share his dreams for the first time with his roommate after waking from his second nightmare screaming NO HANK DON'T LEAVE ME Here's what Lance Knight has to say Genius with Overwhelming Imagination and Creativity Gordon Plotkin is unlike any writer I have ever read or edited I have several self published novels on Amazon com myself But I must really work at it Whereas this most unusual scribe is non assuming and humble to a fault as he cranks out his audacious stories I am witness to the rich text and pages of his latest book Memories Dreams and the Grid Gordon's writing and style is unlike any I have ever read It's rather unorthodox as compared to most formatting But his method is so loaded with energy that it lends itself to addiction The reader can hardly wait to turn the page Mr Plotkin is an over achiever rising early to begin his day of multiple tasks That same energy drive and thoroughness impacts the reader like a velvet bulldozer As a long time writer compared with Plotkin I am lazy The drive and determination that is the life of Gordon Plotkin is somehow poured on the

pages of his books In conclusion I want all of you true readers to know this man and get lost in the contagious worlds that Gordon Plotkin creates
