**The Monégasque** Byron J. Coltman, 2024-08-16 This Part Two of the Trilogy finds me living a quiet retired life in San Diego recovering from my past and hoping it never catches up with me no such luck As I spend my days sailing up and down the coast drowning myself in bourbon to ease the anguish and pain of my history things slowly start to go bad First the old town drunk that I sometimes drank with drowns on the beach when I know for a fact he hated water swimming showering or otherwise Then I go to the Marina to take my yacht out and find her half under water oil quietly lapping at her once pristine white stern Of course no one knows what happened As things continue to fall apart it all starts to get surreal fast going from an old German star chart to a giant airliner falling from the sky to a mysterious old submarine with more gold in it than anyone could ever imagine guarded by people from long ago and far away

**Why Are You So Long and Sweet?** David W. McFadden, 2010-04 A companion volume to *Why Are You So Sad* David W. McFadden's book of selected poems shortlisted for the Griffin Poetry Prize this book finally brings together in one place all of McFadden's masterful long poems For some poets the long poem is an occasion to stretch one's lyrical legs try on different stylistic hats or work out ideas too complex for shorter poems For David McFadden the long poem is much more here is McFadden's prodigious imagination in overdrive his language always mischievous and mesmerizing spinning yarns both comic and cosmic

*Reign on Cloud Nine.* Dean Monet, 2011-10-19 The UK's answer to Maupin's *Tales of the City* *Cloud Nine* takes us on a brave breathless and bawdy romp through a world of gutsy glamorous drag queens and cut throat gangsters When the world has turned its back on you there is one place you can go to find family *Cloud Nine* The newest nightclub on London's South Bank and the epi centre of a new purposely built gay village Its creator one time international drag star Trixie Lix queen of the village and Momma to all that work there There's Tye from Birmingham the thirty something manager who's starting a new life after the homophobic murder of his life partner Then we have Alf a six foot Afro Caribbean lovesick doorman We also marvel at the ageing foul mouthed cleaner Joan who is fiercely protective over her

friends and the family at Cloud Nine The latest of the Cloud Nine family is Mickey a troubled teenager trapped by his gangster father Jimmy Loney into a life of violent crime and sexual abuse We also get to meet the sharp wit of Lady Alice Nana Love Lovett the anti establishment Lady of Little Munch and her vengeful niece Lady Victoria Families can be formed in the most unusual of places Trixie and her family at Cloud Nine take us on an explosively funny journey with more plot than a vegetable garden their story will make you laugh and cry but will definitely make you want to visit CLOUD NINE The home of the misfit Cloud Nine is like a gritty sequined urban Jackie Collins Samantha Tongue Editor **Living With The Bad Boy** Iam\_Winnie,2022-01-07 His lips were bright red I responded to him immediately when his sexy lips touched my mouth I permitted his entrance into my mouth as I parted my lips My body was on vibration because of his touch He knew the right thing to wake up my sexual arousal As our tongues clenched I deepened the kiss as I couldn t get enough of him My fingers combed behind his soft silky wet hair as I felt the burning steam inside me I was on fire His lips were so soft against mine that I couldn t get enough of him His hands went to the back strap of my bikini bra trying to loosening the tied knot Bad girl Olivia Henderson is stuck with her worst nightmare Alexander Williams He happens to be the son of her parent s good friends and business partners Their parents go on a one month business trip leaving Olivia in the care of her worst nightmare What happens when what was supposed to be one horrible month of living with her worst nightmare turns out to be a turnaround in Olivia s life as they slowly become attracted to one another **Hijab** Guruprasad Kaginele,2020-02-21 Three Indian doctors find themselves practising at a hospital in Amoka a nondescript town in Minnesota waiting for their green cards What is expected to be an easy practice in a backwater town soon turns into a difficult question about identity immigration and belonging in this award winning novel first published in Kannada When a Sanghaali refugee woman refuses to deliver her baby via the Caesarean section despite doctors advice her act snowballs into a larger conundrum that brings to light cultural differences that may not be necessarily resolved with reason As the doctors try to break down whether migrants can leave behind their culture in a new land the conflict with the Sanghaalis reaches new heights Reality TV immigration issues and racial profiling all converge in this little town that is struggling to adapt to the demographic shifts around it A story about the dystopias that migration induces Hijab is a powerful fable about one of the most burning issues of our time How does one conform in a culture that is itself made of remnants from other cultures Is identity skin deep or does it go beyond one s colour And finally what does being a migrant truly mean **Season of the Fallen Sun** Trina M. Laughlin,2015-10-26 When confronted with a sudden and tragic loss we are catapulted into a world of darkness Everything that once held meaning is challenged and it becomes necessary to redefine the largest and smallest concepts of life Even the simplest everyday words no longer retain their meaning Words can become elaborate worlds of their own Season of the Fallen Sun is one mothers journey through word worlds like beginnings listen time reconstruction respite and hope It is a story of how the exploration of those worlds can impact healing and recovery even at a time when healing and recovery seem

inconceivable While this is a personal story it is simultaneously a universal human story Every human being unwillingly buys a ticket on the ride called heartbreak While every persons journey when confronted with heartbreak is different there are aspects that will at the very least feel the same Although life will never be the same in the places where it is different we can still find life and living

**Nelson Vs. the United States of America** Marcus Giavanni, 1998 The book recounts day by day how the FBI investigators somehow centered the entire extortion plot around Nelson and another innocent man whose only mistake was to spend fifteen minutes chatting by the lake and then to stop at a fast food restaurant for a hamburger Nelson fit the profile that the FBI had in mind a long pony tail a cellular phone and a red Corvette which he liked to drive fast From this harmless set of facts grew an inconsistent FBI surveillance log incredibly biased misstatements of the truth and wholly contrived witness statements all elaborately tailored to implicate Nelson Other evidence of Nelson s innocence and the unreliability of the existing evidence was simply ignored including an FBI wiretap conversation between the real extortionist and his accomplice discussing the extortion plot in detail The real extortionist admitted that he had no idea who the FBI had arrested Nevertheless Nelson was indeed arrested with his photo plastered all over the Phoenix newspapers Nelson s life would never be the same
