Truett Baker, 2010-09-23 The Christian Church has been welcoming the children in every generation since Jesus earthly life The early church and generations of Christians since would find expressions of care appropriate for their times to help needy families and dependent children This story is about how the Christian church with the major focus upon Arizona Baptist Children s Services ABCS has responded to the mandate of Jesus to welcome the children whose families have been crippled or absent To tell that story the writer has chosen to go back in time to create a context of historical examples What ABCS and other Christians are doing in the Year of Our Lord 2010 is little different than the experience of how the church responded to the needs of children in the first fifth or eighteenth centuries Only the methods have changed The methods have evolved from foster family care to specialized services for children and families These state of the art modern methods of care are

described in detail This should be helpful and informative to social workers and others who work with troubled families and children in out of home care in a faith based context **The Oxford Handbook of Christianity and Law** John Witte (Jr.),Rafael Domingo,2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity s engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity
