Democracy and the Divine Alexandra Aidler,2019-10-10 Advancing the thesis that a contract between the political members of a community must lead to the highest form of social inclusion Thomas Hobbes s Leviathan 1651 has provided the groundwork for democracies around the world Yet Hobbes also states that this contract can only be upheld by a strong sovereign whose authority is derived from God How can a democracy be defined then as truly inclusive when it essentially grows out of a theocracy that thinks about human beings in terms of reduction In Democracy and the Divine The Phenomenon of Political Romanticism Alexandra Aidler argues that despite modern democracy s problematic heritage one should not abandon its claims to religion Articulating a democracy that is based on the religious principle of giving oneself to another Aidler develops a political theology of democracy that is built upon two traditions in political thought that have rarely been examined thus far side by side for their contributions to this field German Romanticism as exemplified by Franz von Baader and Friedrich Schlegel and the theological turn in French philosophy as represented by Jacques Derrida and Jacques Ranci re

A Critique of Anti-racism in Rhetoric and Composition Erec Smith,2019-12-12 A Critique of Anti racism in Rhetoric and Composition The Semblance of Empowerment critiques current antiracist ideology in rhetoric and composition arguing that it inadvertently promotes a deficit model of empowerment for both students and scholars Erec Smith claims that empowerment theory which promotes individual communal and strategic efficacy is missing from most antiracist initiatives which instead often abide by what Smith refers to as a primacy of identity an over reliance on identity particularly a victimized identity to establish ethos Scholars of rhetoric composition communication and critical race theory will find this book particularly useful

Populism, Territories, Name Disputes, and Hyperreality Minos-Athanasios Karyotakis,2024-12-15 In Populism Territories Name Disputes and Hyperreality Greek Nationalism and the Macedonian Case Minos Athanasios Karyotakis examines how and why societal actors may use different names to refer to the same territory Karyotakis demonstrates the enormous symbolic power that the names of places can hold through a study of the Macedonian name dispute MND arguing that territorial names can be symbolic and crucial for constructing nation states through imbued influential meanings affecting citizens hearts and minds These symbolic name disputes SNDs he posits offer societal elites the opportunity to further their own personal ambitions which can include winning electoral power and spreading hatred against non supporters Karyotakis then delineates how some disputes have maintained a seemingly improved version of reality that strongly attaches the conflict to a dogmatized dominant narrative which exploits the nationalistic ideas of the nation state and blurs territorial borders hyperreal symbolic name disputes while other disputes are firmly attached to actual territorial claims that arise from a disagreement over control of a well defined physical territory referential symbolic name

disputes Pointing to several persistent territorial name disputes such as the Arabian Persian Gulf Kurdistan the Kuril Islands Northern Territories Macedonia Navasa Island La Navase and Western Sahara among others this book provides a model for a novel categorization that broadens our understanding of these conflicts

Using Film to Understand Childhood and Practice Sue Aitken, 2018-02-08 Using Film to Understand Childhood and Practice is an innovative and lively text which allows complex and challenging issues within childhood studies to be explored using the medium of filmed drama By utilising popular culture this book provides accessible narratives to students and lecturers needing to engage with complex theoretical ideas In exposing theories to tangible situations often from more than one perspective in films readers are helped to identify and recognise how theories about children and childhood can be applied Each chapter uses a specific film to provide the basis for discussion in order to explore and analyse key concepts within childhood studies which include identity social construction families political and biological narratives children's rights and participation A range of international films are used including Charlie and the Chocolate Factory Rabbit Proof Fence The Hunger Games and The Red Balloon First introducing the theoretical perspective to be discussed chapters also include a contextual explanation of the film and list the specific scenes that will be used to guide students through Concluding with discussion questions students are asked to consider how the theories discussed might be translated in to their own experiences of children childhood and practice Not only supporting understanding of core principles and key ideas across any childhood studies degree this book supports students throughout their university career and beyond by engaging with the journey of becoming a graduate as well as discussion of workplace issues and concepts after graduation

Hillary Clinton's Career in Speeches Shawn J. Parry-Giles, David S Kaufer, Xizhen Cai, 2023-09-01 Women candidates are under more pressure to communicate competence and likability than men And when women balance these rhetorical pressures charges of inauthenticity creep in suggesting the structural and strategic anti woman backlash at play in presidential politics Hillary Clinton demonstrated considerable ability to adapt her rhetoric across roles contexts genres and audiences Comparisons between Clinton's campaign speeches and those of her presidential opponents Barack Obama Bernie Sanders and Donald Trump show that her rhetorical range exceeded theirs And comparisons with Democratic women candidates of 2020 suggest they too exhibited a rhetorical range and faced a backlash similar to Clinton Hillary Clinton's Career in Speeches combines statistical text mining methods with close reading to analyze the rhetorical highs and lows of one of the most successful political women in U S history Drawing on Clinton's oratory across governing and campaigning the authors debunk the stereotype that she was a wooden and insufferably wonkish speaker They marshal evidence for the argument that the sexist tactics in American politics function to turn women's rhetorical strengths into political liabilities
