Signs in the Wilderness Daniel H. Fletcher,2014-09-22 Signs in the Wilderness portrays Nicodemus as a traveler on a faith journeythrough the wilderness who is tested by Jesus s signs Signs test Nicodemus s faith in the same way they tested

that of the wilderness generations of ancient Israel in the book of Numbers The first generation saw the miraculous signs of God yet refused to believe and so forfeited its right to enter the promised land The second generation in contrast saw the signs believed and boldly entered the promised land So it was in John s Gospel as well in which many people see Jesus miraculous signs but refuse to believe thus forfeiting eternal life Others believe and inherit eternal life Nicodemus is a test case in that his own wilderness experience is one of divine testing in the face of Jesus signs Will he have a heart of flesh believe and enter eternal life or a hard heart of stone refuse to believe and die in the wilderness Similarly Jesus signs test the readers of John s gospel resulting in either belief or unbelief

Wealth and Workmen Howard Henderson,1891 **A Collection of Tracts, Published Between the Years 1729 and 1759** Henry Stebbing,1766 *THE GOSPEL OF JOHN Original Version - Volume I* translated by James David Audlin,2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world s greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author s spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God s will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader
