 suggests that Lin Zexu often called the first modern Chinese nationalist popular icon for present day prohibitionists who
 legend says caused the first Opium War 1839 1842 by destroying some 20 000 chests of British opium may deserve a second
 look from historians His method of using lime and salt to destroy the opium simply shares too many parallels with European
 methods for extracting morphine from opium Morphine salts were sold in both China and Europe in the 19th century as
 substitutes for opium or as opium cures Could the mandarin Lin Zexu have stolen from the British conned the Americans

 no formalized instructions and students must plan and carry out their own investigations
