Technology Christopher Lavers,2012-12-23 First book to give an insight into a growing area of interest stealth warship technology which is crucial for future developments in warship construction It demonstrates the importance of materials used in warship construction and how this influences all of a naval platform s design parameters Stealth technology is now considered a critical component within warship design with interest in the concept of stealth increasing around the globe as naval forces adapt to new challenges Many new developing nations are now implementing their first generation of stealth technology military hardware This exciting book explores the full extent of threats to warships and thus the transformational change in naval architecture to incorporate these modern stealth technologies Discussing the history of stealth technology with references to well known aircraft ships and events in military history the book also provides readers with a unique opportunity to develop an understanding of the specialist skills required in this naval sector This is an essential read for anyone interested in stealth design and the issues involved in this evolving technology

Flann O'Brien and the European Avant-Garde, 1934-45 Tobias William Harris,2025-01-23 Crossing the boundaries of a single author study this book uncovers Flann O'Brien s attempt to forge a commercially successful Irish literary project from international avant garde influences Situating O'Brien s early work within a global context the book uses new evidence of his collaborations to reimagine him as a networked writer O'Brien drew upon experimental techniques to generate new categories of writing rethink Irish culture and reach a wide audience This study illuminates a network of cultural production around O'Brien linking his work to English comic magazines Dadaist photomontage Expressionism Central European theatre and renowned writers like Jorge Luis Borges and Franz Kafka By re-examining Flann O'Brien within the context of the momentous global political and cultural crises that spurred avant garde experimentation the book also rewrites the cultural history of Ireland in the 1930s and 1940s

The American Kennel Gazette and Stud Book ,1922

Frantic Francis Brett Perkins,2010-03-04

This book tells the little known story of the man who forever changed the way football is played and whose coaching lineage can be traced to such current names as Bill Walsh Al Davis and Mike Holmgren Frantic Francis offers an unforgettable portrait of an eccentric character whose paranoid manic brusque and profane ways shocked and confused even his players but whose speedy deceptive and imaginative plays remade the sport of football Although Schmidt s mania eventually sabotaged his career his legacy was secure and the style he introduced continues to make football one of the most p
