

recruit trooper where he was in the field training status with a recruit trooper.

MR. BRANCHFLOWER: So, what did you tell Bailey you would do?

MR. GLASS: I told him I would -- that I was in Memphis, Tennessee and that I would have it looked into. I subsequently sent an email to Colonel Holloway advising him to look into it. I did advise Bailey that it was not a firing offense for him to do that, but that he could receive -- I mean, that single event in and of itself was not something that he could be fired for.

MR. BRANCHFLOWER: You told this to Bailey?

MR. GLASS: Yes.

MR. BRANCHFLOWER: What was his reaction?

MR. GLASS: He, again, just went back into he's had all these other problems, you guys are protecting him, why aren't you doing something about it. That was primarily what he....

MR. BRANCHFLOWER: The event that he was talking about was Wooten being around the Good Shepherd Church on what day?

MR. GLASS: I don't recall that there was -- about March 4<sup>th</sup>, so it would have been two days prior to his phone call to me.

MR. BRANCHFLOWER: That would have been in the morning sometime?

MR. GLASS: 9:10 a.m., is what I have.

MR. BRANCHFLOWER: I guess what I was leading up is he called you two days after the event. Did it come out, or did you perhaps ask him, what the source of his information was? Did he see this first-hand or did he get it from someone else, or what?

MR. GLASS: I believe he told me at the time it was coming from Todd Palin, or it may have been from Molly, but one or the other. It was one of the family members.

MR. BRANCHFLOWER: Molly being?

*Unlikely Liberal* Matthew Zencey, 2012-09-30 How much do you really know about former Alaskan governor Sarah Palin The revelations in Matthew Zencey's account of her tenure will surprise you Although Palin is widely seen as a conservative social ideologue her political career in Alaska was marked by a progressive approach that is at odds with her current right wing Republican identity A self described red meat conservative the partisan pit bull with lipstick had been a bipartisan pragmatic and surprisingly progressive governor who raised taxes on Big Oil and distributed oil revenue to every Alaskan She also rankled her social conservative supporters by vetoing an anti gay rights measure and placing a pro choice woman on the Alaskan Supreme Court But her mishandling of accusations of ethics violations made her politically vulnerable at home and her foray into the partisan brawling of national politics broke apart her bipartisan governing coalition in Alaska's capital After her failed 2008 bid for the vice presidency Palin spent one more legislative session trying to run a big government state while maintaining her national stature as a small government conservative but it was politically untenable With no hope of achieving any major political accomplishments plus a growing strain on her family life huge legal bills and a large book advance in hand she resigned Zencey an editor at the Anchorage Daily News during Palin's tenure shows how the Sarah Palin who was so popular in Alaska is starkly different from the Sarah Palin who is now so popular with the Tea Party

Reading and Writing for Civic Literacy Donald Lazere, 2017-07-05 Lazere's book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact

on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis

**The Death of American Virtue** Ken Gormley, 2011-02-01 Ten years after one of the most polarizing political scandals in American history author Ken Gormley offers an insightful balanced and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton From Ken Starr s initial Whitewater investigation through the Paula Jones sexual harassment suit to the Monica Lewinsky affair and Brett Kavanaugh s role in the subsequent inquiry *The Death of American Virtue* is a gripping chronicle of an ever escalating political feeding frenzy In exclusive interviews Bill Clinton Ken Starr Monica Lewinsky Paula Jones Susan McDougal and many more key players offer candid reflections on that period Drawing on never before released records and documents including the Justice Department s internal investigation into Starr new details concerning the death of Vince Foster and evidence from lawyers on both sides Gormley sheds new light on a dark and divisive chapter the aftereffects of which are still being felt in today s political climate

**Crude Awakening** Amanda Coyne, Tony Hopfinger, 2011-11-08 Presents a history of the Alaskan oil industry revealing political corruption the FBI s investigation and how these events will influence American politics

**The American Spectator** , 1999 *Time* , 2008 *Sarah from Alaska* Scott Conroy, Shushannah Walshe, 2009-11-03 A year after a vice presidential campaign that remains as consequential as it was controversial Sarah Palin is still the most dynamic yet polarizing Republican in America Now Scott Conroy and Shushannah Walshe draw on their experiences as embedded reporters on Palin s campaign exclusive on scene coverage of Palin s post election struggles in Alaska and revealing interviews with former McCain Palin staffers top political minds and Palin s family friends and foes in Alaska to tell the remarkable behind the scenes story of her improbable rise and its complicated aftermath The result is a fair and fascinating portrait of Sarah Palin and of the American political process *Sarah from Alaska* illuminates both the talents that helped make Palin a superstar and the traits that became liabilities under the intense pressures of a divisive national campaign It reveals in riveting detail how Palin s vice presidential campaign became as dysfunctional as it was secretive explores the circumstances behind her triumphs and baffling missteps and provides new context for understanding her values her political successes in Alaska and her abrupt resignation from the governorship It s easy to turn Sarah Palin into a caricature of either a heroic everywoman or ridiculous dolt the authors say but the truth is that she is more complex than either her most passionate defenders or harshest critics give her credit for Palin remains ambitious and enormously popular among social conservatives and her future will be intrinsically interwoven with that of the Republican Party as it struggles to redefine itself and recapture the necessary margin for national political victory in the next decade That makes *Sarah from Alaska* essential reading for anyone interested in American politics
