Robert Kennedy His Life:

Robert Kennedy Evan Thomas, 2002-09-10 Robert Kennedy has been viewed as hero and villain Thomas's achievement is to portray RFK as a human being an extraordinarily complex man who was at once kind and cruel devoted and honest fearful and brave

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life

Robert Kennedy James Hilty, 2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John's political campaigns Robert proved himself hard as nails in his father's admiring words relentless in securing his brother's victory and unforgiving in overseeing his brother's presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson's selection as John's running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty's evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today's pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family's story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty's concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader's role in working for Joseph McCarthy or pursuing James Hoffa for racketeering Hilty's great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother's assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert's own crushing pain was evident to the world It was then that Bobby ceased being a disparaging term

and became a mark of respect and affection *ROBERT KENNEDY* EVAN. THOMAS,2002 **Bobby Kennedy** Chris Matthews,2017-10-31 In Chris Matthews s New York Times bestselling portrait of Robert F Kennedy Readers witness the evolution of Kennedy s soul Through tragedy after tragedy we find the man humanized Associated Press With his bestselling biography Jack Kennedy Chris Matthews profiled one of America s most beloved Presidents and the patriotic spirit that defined him Now with Bobby Kennedy Matthews provides insight into Bobby s spirit and what drove him to greatness New York Journal of Books in his gripping in depth behind the scenes look at one of the great figures of the American twentieth century Overlooked by his father and overshadowed by his war hero brother Bobby Kennedy was a perpetual underdog When he had the chance to become a naval officer like his older brother Bobby turned it down choosing instead to join the Navy as a common sailor It was a life changing experience that led him to connect with voters from all walks of life young and old black and white rich and poor They were the people who turned out for him in his 1968 campaign RFK would prove himself to be the rarest of politicians both a pragmatist who knew how to get the job done and an unwavering idealist who could inspire millions Drawing on extensive research and interviews Matthews pulls back the curtain on the private world of Robert Francis Kennedy Matthew illuminates the important moments of his life from his early years and his start in politics to his crucial role as attorney general in his brother s administration and finally his tragic run for president This definitive book brings Bobby Kennedy to life like never before **Robert Kennedy and His Times** Arthur M. Schlesinger,2012-07-18 The Pulitzer Prize winning historian chronicles the short life of the Kennedy family s second presidential hopeful Schlesinger s account vividly recalls the forces that shaped Robert Kennedy from his position as the third son of a powerful Irish Catholic political clan to his concern for issues of social justice in the turbulent 1960s Robert Kennedy and His Times is a picture of a deeply compassionate man hiding his vulnerability drawn to the underdogs and the unfortunates in society by his life experiences and sufferings Los Angeles Times This fortieth anniversary edition contains not only Schlesinger s illuminating and inspiring portrait of Robert Kennedy but a new introduction by Michael Beschloss in which the acclaimed bestselling author and historian discusses the book s initial reception Schlesinger s thoughts on it and expounds on why Robert Kennedy is still such an important figure today Exceptionally important one of a handful of books that anyone who cares for the politics of the 60s must read Newsweek An absorbing and vividly written study of a gallant and tragic man The Boston Globe A story that leaves the reader aching for what cannot be recaptured Miami Herald An inspiring account of what it was like to be at Robert Kennedy s side and why he and many like him felt that vision and virtue walked with them Business Week
