new husband show her the truth and love she craves And can Jehosheba overcome her fear and save the family and the nation she loves With deft skill Mesu Andrews brings Old Testament passages to life revealing a fascinating story of the power of unconditional love Greek and Latin Love Thea S. Thorsen,Iris Brecke,Stephen Harrison,2021-09-07 It is often claimed that the kind of love that is variously deemed romantic or true did not exist in antiquity Yet ancient literature abounds with stories that seem to adhere precisely to this kind of love This volume focuses on such literature and the concepts of love it espouses The volume differs from and challenges much existing classical scholarship which has traditionally privileged the theme of sex over love and prose genres over those of poetry By conversely focusing on love and poetry the present volume freshly explores central poets in ancient literature such as Homer Sappho Terence Catullus Virgil Horace and Ovid alongside less canonized such as the anonymous poet of *The Lament for Bion* Philodemus and Sulpicia The chapters which are written by world leading as well as younger scholars reveal that Greek and Latin concepts of love seem interconnected that such love is as relevant for hetero as homoerotic couples and that such ideas of love follow the mainstream of poetry throughout antiquity In addition to the general reader interested in the history of love this volume is relevant for students and scholars of the ancient world and the poetic tradition *The Love Books* Ovid,2021-12-13 The Love Books Ovid The Love Books of Ovid is a collection of four works of Roman poet Ovid's verses on love in English prose translation Ovid born in 43 B C a contemporary of Virgil and Horace lived during the reign of Augustus and is perhaps best remembered today for his work on Roman mythology entitled *The Metamorphoses* This volume collects the poets following works *The Loves* *The Art of Love* *Loves Cure* and *The Art of Beauty* Ovid was an innovator in the writing of love poetry in that he changed the focus of the poem from the poet to love itself and examined the effect of love on people These works were considered controversial in their time and many scholars believe that Ovid's *The Art of Love* was the cause of his life long banishment by Augustus to a remote province on the Black Sea Considered to be a master of the elegy form of poetry which are poems of lamentation and mourning and the last of the Latin love elegists Ovid is faithfully represented here in this English prose translation Students of classical literature and fans of romantic poetry will both delight in this volume of works by a poetic master This edition follows the translation of J Lewis May **Roman Epic** Anthony J.
