

# Romeo and Juliet

Filmmakers use the term film language to mean everything they can use to deliver the story most effectively to the audience. This language includes:

- cinematography / camerawork
- mise en scene
- sets, costumes and make-up
- locations
- lighting
- casting
- editing
- music and sound

Explore these various aspects of film language and see how they are used in Romeo and Juliet.

## TASK 1

Look closely at the scene where Romeo and Juliet meet at the masked ball.

Why are all the shots in close-up? Why has the director chosen an aquarium for their eyes to meet across? What is the effect of the water and the fish floating past? How does this sequence contrast with what is going on around them?

## TASK 2

Look closely at the scene between Juliet and her father, Fulgencio Capulet, when she opposes his plan for her to marry Paris.

How does the camera intensify this emotional scene? Does the camera linger on one person or go backwards and forwards between the two? What position does the camera take to make Juliet's father appear violent and threatening? What effect do the close-ups have on us, the audience? Do we share anyone's point of view in this scene? If so, how does the camera do this?

## TASK 3

Look at the scene in Juliet's bedroom again but this time concentrate on the decor. Make a list of all the objects that you can remember that give you an impression of her age, character, social position and her interests.

## TASK 4

Think of locations in the film 'Romeo and Juliet' which emphasize and intensify ideas about the characters and the atmosphere. Look at the scene on the beach where the two gangs meet. Write down your ideas. How is the scene lit? What are the predominant colours? What do you see in the background? Is it day or night? How did the director's choices contribute to the meaning of this particular scene?

## TASK 5

Look at the ballroom scene. Pick out some of the details of the costumes. Do you remember how the Capulet parents dressed for the ball? How does this emphasize or extend aspects of their personalities? How are Paris and Tybalt dressed?
