

**Periodicity of E-Filing of Service Tax Returns – Half
Yearly/ Quarterly/ Monthly**

Finance Bill 2012 has proposed many a changes including a simplified one-page common return for Central Excise and Service Tax Assessors. It is also being proposed that the cycle for the payment of service tax and filing of return should be coincide. A proposed structure as described in Finance Bill 2012 is given below :

However, the Central Government while incorporating changes based on Negative list taxation in the various provisions of Finance Act, 1994 vide notifications dated 20-6-12, has created a ambiguity amongst the stakeholders and professionals of the society that Service Tax Return is also to be filed monthly/ quarterly as the case may be w.e.f. 1-7-12.

To bring clarity on the above issue, I would like to mention here that till date no such notification has been issued by the Central Government for filing the Service Tax Returns monthly/ quarterly as the case may be. Thus, assessors should continue to file the return half yearly till notification to that effect come into force.

India International Monetary Fund, Asia and Pacific Dept, 2015-03-11. This 2015 Article IV Consultation highlights that India's near term growth outlook has improved and the balance of risks is now more favorable, helped by increased political certainty, several positive policy actions, improved business confidence and reduced external vulnerabilities. Growth is projected at 5.6 percent for FY 2014/15, picking up to 6.3 percent in FY 2015/16 as a result of the revival in industrial and investment activity. However, weaknesses in India's corporate and bank balance sheets will weigh on credit growth and fiscal restraint, and a tight monetary stance will act as headwinds in the near term, offsetting the positive growth impact of the improved commodity terms of trade.
