Maths School GCSE Maths Problem Solving Exam Question Workbooks have been put together by Maths Teachers to provide students with the level of challenge that can be expected from GCSE examinations Since the UK Department for Education set out that all GCSE Maths assessments should test reasoning interpreting and problem solving skills in at least half of the GCSE questions there has been an increasing demand from students to get access to more content in order to practice those questions that not just test the skills taught in schools but those types of questions that assess those reasoning and problem solving skills Our workbooks offer hundreds of questions all designed to support the practice of those skills and come complete with worked solutions

Stop Failing Maths! Jay Taylor, 2018-03-04 Important maths exams coming up Worried that you will fail again Wondering how some students always seem to get the top marks Whatever your current level this ebook will show you how to use a simple proven five step system to achieve grades that you previously thought were impossible Written by an experienced maths teacher private tutor and GCSE exam marker who specialises in helping students to pass major maths exams this ebook will explain why what you do AFTER a maths lesson can be more important than what you do in the lesson the most common reason for low maths grades and how anyone can overcome it how to find out exactly what content you need to know where to find the best revision resources AND how to use them what techniques you MUST use in the exam to boost your grade even further why you can't always rely on your school to help you pass but how you can smash through their targets This ebook is not a textbook and does not explore specific maths topics in detail Instead it shows you HOW to study the subject efficiently using the best modern resources that will have the most impact on your maths grade Buy this book and Stop Failing Maths Maths Trevor Dixon (Mathematics teacher), 2014
