comfortable with some roles children take on such as dinosaurs mothers and firefighters Other roles or types of play make adults uncomfortable at times such as weapon or gun play superhero play or hyper feminine princess play Yet allowing and supporting these types of play is key to fostering children s identity and agency The book gives practical strategies for adults in early childhood settings to support this sense of power in pretend play and in real ways It draws on an updated understanding of gender expression as well as a nuanced approach to consent and includes a contemporary understanding of the development of executive function skills and their impact on young children s behaviors The book also considers cultural influences on children s play and adults reactions as well as how peer interactions and play may be affected by differences among children
